

**DENGLER,
Anna Mary (Annie)**

Anna Dengler, aged 99 years, passed away at Manitou Lodge, Watrous, Sask. on Friday, December 13, 2019.

Mom was born on a farm in the Zelma district, the fourth of 12 brothers and sisters. When she was seven years old her father had a stroke and her family moved into Zelma, where

she went to school. After completing her education, she went to work for Alex Murray. In 1939, she married William Dengler, starting a lifelong farming career. She was very involved in all aspects of the farm. She loved the outdoors, the animals and crop checking. She and dad were so proud to see their family working on the farm. There were times when five generations would be at the same field. Nothing could make her more proud. In 1999 due to dad's poor health she moved to a suite in Manitou Lodge to be close to him. After dad's passing in 2003, mom moved into a suite in Jubilee Court. She loved babies and nothing made her happier than spending time with each of her great-great-grandchildren. Mom remained independent until May 14, 2019 when she had a heart attack. On July 26th, she moved to Watrous District Health Complex where she received love and excellent care. She was happy and content there. We her family are so lucky to have had her with us for so long.

Annie is survived by two sons, Richard (Bernice) of Watrous and Don (Maureen) of Courtenay, B.C.; six grandchildren; eight great-grandchildren and eight great-great-grandchildren.

The Mass of the Christian Burial was held at St. Patrick's Roman Catholic Church, Young, Sask. on December 17 conducted by Father Peter Olisa.

Honorary pallbearers were all that knew and loved her. Ken Dengler, Jesse Dengler, Christian Zuck, Jordan Zuck, Justin Peevers and Kevin Dengler were pallbearers. Register attendant was Ellen Dengler. Gordon Dengler was the usher. Organist was Elva Turner.

Interment followed at St. Patrick's Roman Catholic Cemetery.

Memorial donations directed to Watrous Community Health Foundation or St. Patrick's Roman Catholic Cemetery Fund would be appreciated.
