

**DIENO,
Wade Douglas**

It is with sadness we announce the passing of Wade Douglas Dieno at the age of 72 years. Our precious Lord took Wade by the hand and has led him home. Wade passed away on his mother's birthday with the love of his life Colleen, his family and close friend Ed by his side.

Wade loved fishing, hunting, singing, and playing his guitar, riding his Harley, coffee with neighbours on the deck and trips to their place in Mexico. Wade completed his school in Young, Sask., where he grew up and went on to further his education to become a plumber/pip-fitter. Wade had a plumbing business in Watrous, Sask. (Dieno's Plumbing). Wade also worked at the Potash Mine at Colonsay, Sask. and finally at Key Lake for Cameco, where he worked until 2019. Wade made his home at Chitek Lake in 1995 where he lived till his passing. This is where he met Colleen 17 years ago. She has been the love of his life. She supported and cared for him until his final hour. Wade had many friends and could strike up a conversation with anyone. Wade will be surely missed by all who came to know him and of course, his dog Tucker.

Wade is survived by his loving wife Colleen of Chitek Lake, his children Bobbie Jo (Brian) Clunas and children Dawson and Kolby of Russell, Man., Scott Hope of Mission, B.C., his stepson Sheldon Kirchner of Saskatoon, Sask., his siblings Sharon (Callen) McFadden of Candle Lake, Sask., Brenda (Reg) Allen of Watrous, Sask., Donalee (Gerry) Lamontagne of Saskatoon, Sask., Shelley Dieno of Mission, B.C., his aunts and uncles Elmer Dieno of Saskatoon, Sask., Judy Dieno of Naniamo, B.C.

He was predeceased by his parents Egon and Irene Dieno, a brother Kelly Dieno, a brother-in-law Dwaine Dieno, and his godparents Max and Mona Dieno.
