

**HULM,  
Doris Theresa  
May 25, 1920 -  
May 28, 2016**

Doris Hulm, aged 96 years, passed away peacefully at the Manitou Lodge, where she had lived since 2003, on Saturday, May 28, 2016.

Doris was born May 25, 1920 on the family farm near Allan, Sask. Doris attended Bell Lake School in South Allan and stayed on the farm until her late teens. Then she moved to Young to live with Angeline and her family. She worked at the Young Service Station for many years before becoming a secretary for the RM of Morris and the Village of Young for 15 years before retiring in 1985. All her life, Doris kept busy with family and friends. Her green thumb was always noticeable in the garden and the many flowers she grew both at her place and her neighbours. She spent countless hours knitting sweaters for family and friends and loved quilting with family. Photography was also one of her many passions. She loved pulling out her photo albums to show her latest pictures of friends, family and nature. However, her greatest love was of music and dancing, which was with her until the end. She loved sharing a cup of coffee with anyone who took the time to visit and welcomed everyone with open arms and a big smile. Doris was a special aunt and will be lovingly remembered by numerous nieces and nephews.

She was predeceased by her parents Micheal and Veronica and siblings Tony, Mary, Katherine, Angeline, Jacob, Anne, Helen, Wendelin, Peter, Jean, Edith, Rose and Frank.

A graveside memorial service was held at Young Cemetery on June 11.

Memorial donations directed to the Alzheimers Society of Saskatchewan would be appreciated.
