

**FOSTER,
Helen Darlene
(Peck)**

**Apr. 24, 1924 -
Feb. 26, 2023**

Helen passed away peacefully in her sleep after a full life of nearly 99 years.

Helen loved her life well and was always the life of the party. She was quick-witted, feisty and a force to be reckoned with. She was and will be forever young at heart.

She is survived by her children: Greg White, Marlene White, Brenda Peters, Moyra White and Wade Foster; countless grandchildren, great-grandchildren and friends.

She was predeceased by her daughter, Marilyn White.

Helen will forever be remembered and cherished by her friends and family. We will be honouring her life at a later date with a celebration. Those looking to commemorate Helen, please have a toast to her on her birthday on April 24th.
