

**HART,
Riley Frank
1984 - 2019**

Riley Frank Hart died suddenly on Nov. 15, 2019 at the age of 34 near the family farm at Imperial, Sask.

Riley was born on Dec. 6, 1984 in Saskatoon to very proud parents, Larry and Barb Hart. Riley was raised on the farm and

that is where all his many adventures began. Riley grew into a hard-working dedicated farmer, but also an equally hard-working dedicated “rigger”. He didn’t have a lot of spare time, but when he did . . . fishing, hunting, golfing, snowboarding, cabin time at Etters Beach and socializing with family and friends would top the list! Probably the best day ever at Etters Beach was July 22, 2017 when Riley and Ashley were married. On Dec. 28, 2016, Riley and Ashley welcomed a baby girl into their world. Oaklyn Hazel soon became the centre of Riley’s life. He loved taking her out and “showing off” his beautiful, spunky, little girl. Riley had a special way of enjoying endless amounts of laughter and fun with not only Oaklyn, but every “little one” he spent time with. We will all miss his light-hearted spirit and easy going way, and of course his big grin that we all loved!

Riley is survived by the two greatest loves of his life, Ashley and Oaklyn. He is also survived by his parents Larry and Barb Hart; sister Britni Hart and her daughters Adelyn and Sadie; brother Brennan Hart (Emma Anderson) and grandmother Doreen Wolff, as well as many aunties, uncles and cousins. Riley will also be forever missed by Ashley’s family and the many friends he made so easily.

Riley was predeceased by his grandparents; Frank and Verna Hart and Bernard Wolff.

A celebration of Riley’s life was held in the Imperial Community Centre on Sat., Nov. 23 and was followed by a family interment at Imperial cemetery.

Memorial donations in memory of Riley may be directed to Oaklyn’s education fund (cheques payable to Ashley Hart) or Imperial and District Ambulance Inc.

Hanson’s Funeral Home of Davidson was in care of arrangements.
