

**JONES,
Roy William
Apr. 4, 1950 -
Jan. 22, 2022**

Roy Jones, passed away peacefully at Watrous Hospital from cancer with his son Vaughn by his side. Roy spent his last full day with his family and grandchildren making memories to the end. Roy was born to Tom and Elsie Jones of Amazon and had

one older brother, Gordon. Roy's early education began in a one room school house in Amazon. In grade two he moved to Watrous Elementary and completed his grade twelve at Winston High. Continuing to the University of Saskatchewan in Regina Roy graduated with a Bachelor of Education and many new friends.

Roy married the love of his life, Margaret Keefe in 1973 and together they raised two sons Rhett and Vaughn. Roy loved his boys and his life revolved around them through sports, 4-H, numerous activities, grain and cattle farming with the odd horse thrown in. He always had time for them and their friends. His presence continued with his boys as they married and had grandchildren which he poured his energy into. Roy was a proud grandpa and papa and always had time for his six grandchildren following their activities and making more memories. He was always there to listen or help with whatever they needed. Roy was their #1 fan and he never tired of talking about them.

Roy and Margaret made many family road trips and continued on their own after retirement. Roy's love of cattle took the family to many shows and sales in Canada and the United States. With retirement Roy renewed his love of horses and enjoyed riding in the Amazon area and stopping to visit friends. Riding his horse in Arizona with new friends and new scenery made his winters pass all too quickly.

Roy was involved with A&S Equipment in the 80's and in 1990 the family moved to Regina where he worked for Young's Equipment as a Sales Associate for 25 years. Throughout Roy's life of farming and machinery sales he made many friends and enjoyed his association with his clients. Everybody he met became a friend and he treasured every friendship. He was a kind and gentle person and encouraged everyone. Roy was always thrilled in other's accomplishments and success.

Roy is survived by his wife Margaret of 48 years, sons Rhett (Nicole Glydon), Calder, Bryar and Blayk; Vaughn (Darlana Stonehouse), Brynlee, Brooks and Beckam; brother Gordon (Darlene); sister-in-law Pat (Tom) Davis, and many nephews, nieces and cousins.

Roy was predeceased by his parents Thomas and Elsie Jones and sister-in-law Catherine DeAtley.

A Celebration of Life Service was held at the Watrous Civic Center on Friday, January 28, 2022. Urnbearers were Roy's youngest son and oldest grandson Vaughn and Calder. Rhett and Vaughn gave eulogies; tribute to grandpa Roy was by Calder and Nicole gave a tribute to her father-in-law. A private family interment will take place at a later date. Memorial donations directed to Jim Pattison Children's Hospital are appreciated.
