## A MESSAGE FROM YOUR 5SKS DG 2021-2022

### "Lions on the Move"

The new year has begun in earnest, and we are well into planning for a strong finish to this Lionionistic year! I hope all of our Lions had great New Years celebrations and are renewed to tackle the year ahead.

Internationally, we are a few months away from the official launch of the Global Membership Approach. This worldwide plan combines a strategic approach and a set of resources for district teams to utilize to develop membership by: rejuvenating districts with new clubs; revitalizing clubs with new members; and re-motivating existing members with fellowship and exciting service. Our district has been utilizing this method during the 2021-2022 year.

Those clubs which were in danger of being placed on financial suspension have fulfilled their commitments and have confirmed their 'good standing' status. Thanks to all clubs for taking care of the business of their club management. This is an important part of belonging to any organization and is very important to such a large organization as ours.

This leads me into the topic of club reporting once again. Please, let's keep our reporting of service in the forefront going into 2022. We have a way to go but I am confident in the 5SKS Lions and their clubs to keep recording information on a monthly basis in MyLion. Service such as community involvement and helping your fellow neighbours is a good project and could be reported. Anything from small service to larger projects all counts and goes a long way to showcase your club and our district.

Take some time to view the 2021-2022 Saskatchewan Lions Convention registration form and program listing found within this month's *Pride* edition. I encourage you to determine who from your club will be attending and be sure to get that registration and delegate forms in as soon as possible. Also, don't forget that the MD5 Convention in Cypress Hills registration is open. This will be a great way for your members to learn more about our Multiple District and a chance to meet other Lions from throughout Saskatchewan, North and South Dakotas. I know that a number of our American Lions from the Dakotas have registered and are looking forward to visiting this beautiful location. Let's have fun in the "hills"!

As I write this *Lion's Pride* submission, I am also in the middle of completing our application for a matching grant to Lions Clubs International Foundation (LCIF). This grant will allow you as Saskatchewan Lions to purchase much-needed specialized anesthesiologic equipment for the new Childhood Cancer Treatment Centre to be located at the Regina General Hospital. The total cost of the equipment is \$134,000 plus tax. One half of this cost – \$67,000 – needs to be raised by YOU, our Saskatchewan Lions. We are fundraising these generous donations through our own Saskatchewan Lions Foundation (SLF). Yes, the 50/50 tickets your club recently received from the SLF is one of the quickest ways we can raise this important funding and expose the general public of Saskatchewan to this important local foundation; *a win-win for all people living in Saskatchewan. PLEASE LET'S SELL THESE TICKETS AND GET THIS PROJECT ROLLING!*

Along with my DG Team and Cabinet members, I am doing my best to keep in touch with our Lions. Please remember to learn who your Zone Chair is and reach out to them with any questions, suggestions and comments that you want us to be aware of. We have zones that are still without a Zone Chair – Lions, you can help us by progressing to leadership roles within your club and then take that one more step to act in a leadership role outside of your club. This is a great way to help out your fellow Lions on Cabinet with the administration of your District, plus it is fantastic way to grow your own skills with the training that comes along with it!

Look for our most current Club Officer training opportunities scheduled for Saturday, February 26 – you can contact Past District Governor Jim Vermeersch (verme@sasktel.net) for details.

Thanks again for all that you do and for your continuing support and faith in your Cabinet and its hardworking Lions, it is most appreciated.

## A MESSAGE FROM YOUR 5SKN DISTRICT GOVERNOR 2021-2022

### Upcoming Lions events, DG visits and Campaign 100

The first part of January has been quiet as extreme cold and nervousness about the latest Covid variant have kept people close to home. But virtual meetings and online communications can and do still happen. I am pleased to say that our Provincial Convention Committee met virtually last week, and we are moving ahead with plans for our convention in Yorkton the weekend of March 19 and 20, 2022. The program has been filled in with some outstanding guest speakers and we want to see you there! Please note that this event is being held in accordance with all Public Health Orders in effect for the safety and well-being of all attendees.

The MD5 Council of Governors meeting is still tentatively planned for Minot in late March – again, Covid permitting. There are several officer and GAT team vacancies on the MD5 Cabinet, and applications are due by February 15. Please contact me for more information and application forms.

So far this Lion year, we have visited almost half of the clubs in our District and we still have lots of openings in the months ahead. If you would like me to attend your club meeting or even a service or fundraising function, call or email me.

And for those long dark winter nights when there's nothing to watch on television, don't forget to check our Lions videos on [YouTube](#), or scroll through Lions Pages on Facebook. Look for the Lions of Canada Facebook page and website, Global Lions Forum, Lions of Multiple District 5, and Lions Quest, just to name a few. And if you want to know more about officer or Cabinet roles, check out the Lions Learning Centre at [www.lionsclubs.org](http://www.lionsclubs.org).

If you need your member number to set up your own member login, contact your club secretary.

There is a great opportunity to learn more about Lions and leadership through the MD5 Regional Lions Leadership Institute being held virtually in March. See Lion Gail Haight's report for more details and a link to the application form. This is a great opportunity for all Lions, not just officers, to learn more about our organization and get to know some good people beyond the club and district level.

Vice District Governor and LCIF Co-ordinator Lion Beryl Bauer will say more in his report about Campaign 100 and progress to date. As District Governor, I am both pleased and full of gratitude for the generosity of the Lions Clubs and individual Lions of District 5SKN who have contributed to the campaign. When we see floods and fires in Canada, tornadoes in the U.S., earthquakes and volcanoes in other parts of the world, it is good to know that we are collectively making a difference.

And don't forget to sell (or buy) your Saskatchewan Lions Foundation and Yorkton Lion Cub 50/50 tickets! You can't win without a ticket!

## GREETINGS FROM YOUR 5SKN FIRST V DGE 2022-2023 BERYL BAUER

I'll keep it short! In December, I attended the Yorkton DG night with DG Marianne.

Intense training continues. Most of it is done on [MyLCI](#) in the Learning section, but it's very good. My fellow Group 20 VDGEs from around the world met again virtually on January 14 – a week late as our trainer had a health issue. Training is sort of on target but when the final package arrives next week, I should be ready for the last months before LCIcon in Montreal in June.

BERYL BAUER

The last two big tasks are to fill all Cabinet positions and work with District leaders to set some district goals for the next year and beyond.

Both tasks were addressed at the Cabinet meeting on January 22 but I need more Cabinet positions filled and we – as a District Team – need to develop some goals in the four areas LCI has set as priority areas; Service Activity Reporting, Membership Development, Leadership Development, and LCIF.) **Input from any Lion/club in the district would be most welcome.** Send me a letter or email with your thoughts on all or any of these.

It will also help if you contact me if you are interested in being part of Cabinet next year. I received some good suggestions from several former DGs on possible Zone Chairs but we are still short by 4 or 5, so any volunteers would be especially welcome there.

The convention planning is all but complete so that's good news. **IMPORTANT NOTE:** For the Memorial Service, I have a list of Lions who passed away from July 1, 2020, to June 30, 2021, and need a photo of them if possible. I will contact the clubs they were from and try to get as many photos as possible. Hope to see many of you at the Convention in Yorkton March 18, 19, and 20. It's a great deal of work to get everything planned and the best way to show appreciation to the organizers is to attend. Saw this somewhere so I take no credit for it, but I think it talks about an important truth. "If you want to go fast, go alone. If you want to go far, go together."

**-Beryl Bauer**

## A MESSAGE FROM YOUR 5SKS FIRST VICE-DG 2021-2022 ALVIN MATECHUK

Greetings Lions of 5SKS,

Hopefully everyone has survived Christmas and New Years and you still have a New Year's resolution to follow.

Looking at this year's calendar, it looks like it's going to be a busy for the District if everything can go as planned. We have the Provincial Convention in Yorkton in March, the MD5 Convention in Cypress Hills in May, International Convention in Montreal in June, and the USA/CANADA forum in Calgary in September. We are also in the initial planning stages for the Provincial Convention in October, which will be held in Regina. It would be great if everyone was able to take in at least one of these conventions for 2021-2022 and plan for Regina 2022-2023. It has been a long time coming for Lions to meet up again like we did in the past.

Please remember to send in your registrations ASAP so that the planning committees know what numbers they have to work with.

Hotels will be filling up fast, so you don't want to miss out.

Our Provincial Convention in Regina is looking for Lions to assist and plan the convention. We are just getting started with planning, so if you think you can help out in some way, get in touch with Lion Debbi Ross, DG Doug Ross, or myself and we will include you on the subcommittee you would like to be a part off.

I am in the process of setting up my Cabinet for next year and there are still a few positions left open from the previous year to be filled. Our Cabinet does not use up a lot of your time and we are all there to work with each other. If you think you would be interested in branching out into one of our positions, give me a shout. It is a great resume builder.

Keep doing what you are doing by keeping your club spirits high and let your community know that Lions are still there to help out when help is needed.

Until next month, stay warm and take care.

ALVIN MATECHUK

# A MESSAGE FROM YOUR 5SKS SECOND VICE-DG 2021-2022 LANE JOHNSON

Happy New Year, Lions of 5SKS!

As we move into the second half of this Lions year, flexibility and accessibility are becoming more of a focus. With the world still not back to normal, some clubs are having difficulty meeting. As frustrating as the situation may get, safety should be our top priority.

I would like to remind everyone that the District 5SKS has purchased a Zoom license for the clubs to use. We are committed to helping the clubs meet in a safe way. If you are worried you are not tech-savvy enough to run the meeting, there can be accommodations made to have someone help you facilitate the meeting. If you would like to book a Zoom meeting, please email LionsDistrict5sks@gmail.com.

Keep pressing on and keep up the Great work!

Yours in Service,  
- Lion Lane Johnson

# DIABETES CANADA REPORT, JANUARY 2022 Future of Saskatoon, Regina offices

Thank You to the clubs who sent money in support of diabetes – your kind contributions are always appreciated. The disease hasn't gone away or become less of a problem in our society.

Many nonprofit organizations haven't done very well in the last few years. Currently, the Saskatoon office has been closed and won't reopen. The Regina office is closed at present but has time remaining on its lease so it could reopen. However, at this point we have no further information regarding its future.

Presently, Past International Directors Marvin Chambers and Garnet Davis are working to find direction for our efforts. They are working with District and Multiple District Chairpersons and Diabetes Canada. This process may take some time, so please be patient.

## WE ALL HAVE THE CAPABILITY TO HELP OTHERS

Corey Hirsch, the former Medicine Hat Tiger and NHL goalie, attempted suicide by car but was lucky and lived. His wife, however, despite contacting a suicide help line, was successful in her attempt and died. For his first-person description in *The Players' Tribune* in which he describes his own frame of mind, the title, "Dark, Dark, Dark, Dark, Dark, Dark, Dark, Dark" seems almost too graphic. For more information, readers can go to [theplayerstribune.com](http://theplayerstribune.com) and look for Corey Hirsch.

Famed Oregon writer Brian Doyle wrote about how we all have the capability and maybe also the obligation to help others in similar situations by listening: "An ear can be an oar to someone who has been drifting dark and lonely." Let's listen; let's help.

## SASKATCHEWAN LIONS –

This is your invitation to attend a fantastic LEADERSHIP Provincial Convention in Yorkton on Friday, March 18, Saturday, March 19, and Sunday, March 20.

**We really want you to come!** It is going to be absolutely worthwhile and an experience of a life time.

If you are concerned about COVID and the variants, so are we! **Your health is our prime concern!** At all times, we will follow and enforce all of the Saskatchewan Health Authority Guidelines in effect at the time of the Convention.

If you take a moment to review the

Registration Form on the following page, you'll see there are options to fit everyone. **Pick and choose what works best for you!**

If you also take a moment to review the Convention Program, you'll see an Agenda that will spark everyone's interest. Friday night is the **Lions Hall of Fame banquet** followed by a Lion's informal social – a good time to visit and share time with fellow Lions. Saturday is jam-packed full of LEADERSHIP presentations and some required District business. We kick off with **LEADERSHIP SPEAKER Justin Flunder** on what's happening in today's communications. Then a welcome from **Int'l Director Tom Gordon**. Our feature luncheon presenter (2 ½ hours) is **LEADERSHIP Peak Entertainer & Hypnotist WAYNE LEE**. Wayne's show is unbelievable and it is worth coming to the Convention just for him! The afternoon is closed out with **Youth Speaker – Catherine Olena Okolita focussing on Catherine's Cause**. In the evening, we have the **GOVERNOR'S GALA**.

And then the ever popular **RORY ALLAN SHOW**. Sunday morning is our Necrology Service, Displayer Presentations and a very special **Farewell Brunch (Yorkton Style)** with a humorist speaker. Where else would you get all of this for such a low cost? Heck the meals alone are worth the registration fees!

Some may say they are reluctant to come. Others may say Yorkton is too far. The reality is that it is time we turned out in numbers and did something as LIONS. There will be a video produced so please bring your Club's banner to display.

Please take advantage of the **EARLY BIRD** discounted Registration Fees. After February 25, the registration fees increase!

If for whatever reason SHA advises that COVID and the variants are a problem at Convention time all registration fees will be returned in full. **So, please register now!**

Looking forward to seeing you in Yorkton!

## Lions Quest Professional Learning Community

For those who are already teaching Lions Quest programs, we recognize that you may have great ideas & strategies to share, or may be facing some challenges in delivering this program in a virtual environment. We have been trying to think of ways that we may be of some assistance to you and have put our thinking caps on. One idea that we would like to extend to you is forming a Lions Quest SEL Professional Learning Community made up of

educators such as yourselves from many school divisions across Canada. The goal of this learning community would be to learn from each other, share research, and problem solve together.

If you could envision a Lions Quest Professional Learning Community being a benefit and support to you and your work as an educator, would you be interested in pursuing this further? If so, please take a moment to complete this very brief survey to help us determine the best format for this community.

# LIONS FOUNDATION OF CANADA BLUE JAYS WEEKEND RAFFLE for Dog Guides Underway!

Lions Clubs in Saskatchewan have started their traditional support for the Lions Foundation of Canada Saskatchewan Raffle.

The Lions Club of Bruno was the first in the province to return ticket stubs and money, followed by Katepwa and Kenaston.

Sadly, 2 of the first 3 responses came from folded Lions Clubs returning their tickets because they are clubs no more. That's too bad; we miss them. Lions Clubs are reminded to return unused tickets as per Sask Liquor & Gaming regulations and are invited also to request extra tickets. The returned tickets are often used by other Clubs or in different sales situations.

Sorry for the Raffle delay this year; TICKETS ARE COMING!! Blame the pandemic.

**Due to the delays,  
the *Early Bird Draw* date  
has been rescheduled to April 23  
and the *Final Draw* will take place  
on June 20**

Any Clubs wishing to send names and \$5/ticket will have those names and tickets entered in both Early Bird and Final Draws as in the past. Send to Lion Gordon:

Box 43, Richmond, SK, S0N2E0

## DOG GUIDE GRADUATION, DONATIONS TO LFCDG

In my last report, I stated that the dog training school was slowly opening up and volunteers were being introduced back into LFCDG. Well, Covid had some other thoughts about this. Due to high numbers of reported cases, LFCDG had to cancel all classes for January and February and send all staff home. This means that the foster families have once again had to step up and take dogs back in or keep the ones that were scheduled for recall a little longer. Staff are working with the foster families virtually and are hoping things return to normal soon. Remember, just because the school is closed at this time, doesn't mean your donations aren't still needed – they are.

GARRY BEAUDRY

Some good news as of press time: seven dogs from the AAD and FSD programs attended vaccination clinics in Kitchener and Toronto, so that children had some extra support and comfort while receiving their vaccinations. This was very positively covered by some media.

The February board meeting that was scheduled for an in-person meeting will now be a virtual one and hopefully I will be able to obtain more information to share with you at that time.

Please stay safe and healthy.

## CHRISTMAS PROGRAM SUCCESS IN LUMSDEN

Thanks to the generosity of the people of Lumsden and the surrounding communities, the Lumsden Supermarket Christmas Hamper Donation program raised over \$7,500.

These funds were used to purchase \$500 Supermarket gift cards for 14 families as well as some Supermarket gift cards for Seniors in the community.

The Lions Club also purchased \$75 Visa gift cards for each of the children in the sponsored families.

A HUGE shout-out goes out to TGP – The Grocery People, who matched the amount in the fund to help achieve this amazing total.

In December 2021, the Lumsden Lions' Christmas Hamper Donation program raised funds to sponsor local families.

Thank you to all of the organizations and individuals who made donations to this fund and to The Lumsden Supermarket for helping to make Christmas a little better for so many folks!

# LET THERE BE LIGHTS!

## Richmond Lions held Christmas contest

Each year, the local Lions Club hosts a Christmas Lights Contest. There's no entry fee; no sign-up is required. Judges try to look at every house in the community and pick two from the country and two from the village as 'Best of the Year'. Recent winners are not eligible in order to get a wider variety of winners. Prizes are modest but represent an expression of appreciation for brightening up our part of the world.

Neither of this year's rural winners – Chad and Jody Brittner/Brandon and Edith Brilz – have ever won before, nor had one of the village winners, Rolande Davis. The other village winners, Mario and Barbie Koch, last won in 2016.

Shown below are photos taken in town; no rural pictures were available at press time.

Congratulations and thank you to all who go to the trouble to decorate at this time of year. *We loved your Christmas spirit!*

## LAKE LENORE LIONS' VERY SUCCESSFUL 12<sup>TH</sup> ANNUAL ICE FISHING DERBY

On Saturday, January 15, 2022, the Lake Lenore Lions Club held its 12<sup>th</sup> Annual Ice Fishing Derby, and it was a success in every aspect – even the weather cooperated, as the day turned out to be a beautiful, mostly windless one degree Celsius day.

There were 491 fisherpersons of all ages who entered into the derby! Well over \$25,000 in prizes were given away; most were cash, but 20 prize packages ranging from \$250 to \$800 in value were also drawn from all entrants' names. *(Everything from a Traeger pellet barbecue to ice fishing tents, to ice augers, to tools and fishing accessories.)*

The lucky cash prize winners were: 1<sup>st</sup> – Logan Altman (11.19 lb. pike, \$8,840.22); 2<sup>nd</sup> – Shawn Johnson (6.07 lb. pike, \$4,420.44); 3<sup>rd</sup> – Michael Moorman (4.84 lb. pike, \$2,652.26); 4<sup>th</sup> – Joel Doran (4.75 lb. pike, \$1,768.18). The \$500 prize for the largest walleye was won by Trevor Athmer, while the \$250 prize for the largest perch was won by Keelan Kowalyk. The big 50-50 winner was Bryan Lung who took home \$5,140.

All proceeds from the Derby will be given back to community, district and Lions causes. Money raised in the past has gone to Diabetes charities, Western Canadian Blind Curling and Blind Golfing Associations, CNIB, Dog Guides, the Saskatchewan Eye Bank, Mental Health, Juvenile Addictions Canada charities, STARS, Saskatoon Children's Hospital, the Lake Lenore School, the Lake Lenore Co-op Daycare, community facilities such as the Community Hall, the John Doherty Memorial Arena, the Recreation Center, and

programs such as Santa Claus Day, Breakfast for Learning, food hampers, music festivals, exchange students, youth programs, and to families burdened with medical travel and lodging costs, and more!

The Derby is the major fundraising event put on by the Lions Club with the help of many other volunteers from the community. We thank them and all the people who participated. Hopefully we'll see many of this year's entrants back next year. Mark the date on your calendar, JANUARY 21, 2023!

# LANIGAN LIONS CLUB NEWS

## Club projects start again at Central Parkland Lodge

In past years, our club has regularly visited residents at Central Parkland Lodge; some of the projects we have completed are candy and oranges at Christmas, reading to the residents, chocolate milk and doughnut day, ice cream day, etc.

Due to hindrances such as Covid restrictions and the declining membership, we had been largely absent in recent years. However, at a recent meeting, Lion Howard Lamont suggested a cash gift that would be used for a special treat for residents at the Lodge. After some negotiations and suggestions, plans for a special New Year's Eve/New Year's Day event were finalized. Here's what took place in the end: pizza, onion rings, potato rolls, nachos with salsa dip, pinwheel wraps (bacon, cheese, ham and asparagus), chips and dip, cheese and crackers, punch and grapes (*liquid form*)!

A note later received from Central Parkland Lodge stated: *Thank you for making their New Year celebrations awesome! The Lions say: You are so welcome! And thank you, thank you, thank you to Sheila Leffler and dietary staff for all the extra effort: we had the easy part providing the cash; it was your efforts that brought the plans to fruition.*

## Two upcoming events in 2022

In this month's article, I would like to mention two events that are coming up this year:

- MD5 is offering RLLI (Regional Lions Leadership Institute) March 25-27, 2022 virtually. If you are interested or know a Lion/Leo who is interested in attending, the [application form](#) can be found on the MD5 site under 'Calendar'. There are some signature endorsements required on the form. If the actual signatures are not possible then attach an email with the endorsement. See more information on Page 9 here in the *Lion's Pride*.

- Mid-September will see the USA / Canada Lions Leadership Forum 2022 held in Calgary. This is a great opportunity to do some volunteering to help out the committee, to attend some great seminars, and listen to some great speakers. Go to the poster on Page 8 to obtain more information or visit their site at <https://www.2022lionsleadershipforum.com>.

## Service reporting via MyLion

I will be working on a detailed instruction pamphlet with pictures on how to report Service in the LCI program "[MyLion](#)".

## Pickle Ball league survey

We have a quick survey going on currently – please take a few minutes to fill it out so we can have your feedback. We are wondering if setting up a Pickle Ball league in Churchbridge would be a good idea.

### Walking into 2022

Thanks to the Yorkton Lions Club and their recent \$2,500 donation, the SaskAbilities Yorkton Region location was able to replace their treadmill. The appreciative folks at SaskAbilities are happy to have the indoor equipment available for use throughout the cold winter months, as exercise is so important.

## LCIF CAMPAIGN 100 NEWS FROM YOUR DISTRICT 5SKN COORDINATOR

*First of all, I hope everyone had a Merry Christmas season and will have a great New Year!*

I also hope you are aware that LCIF's Campaign 100 is in its final stages.

A 3-year campaign became a 4-year campaign because of Covid! Worldwide, slightly over \$250 million of \$300 million has been raised! In 5SKN, a little over \$112,000 has been raised.

I have written dozens of articles for our *Lion's Pride* and sent dozens of appeals to clubs through our PR and Communications representative, Lion Carol Ewles. Club visits have taken place (most were early in the Campaign before Covid news broke.) The good news is that **80 percent +** of the clubs in 5SKN have given something in the last 4 years. (Some have donated in every year of the Campaign!)

I have more good news. A dozen clubs have made recent donations to the Campaign totalling over \$7,000. It was great to see that some donations came from clubs that had not yet donated to the Campaign. Thanks to all!

\*\*\*Of the \$102,000 donated by 5SKN clubs since the Campaign began, 70 percent has come from 5 Model Clubs and 7 Maple Leaf Clubs! You will note that the number of Model Clubs is up from our last Cabinet meeting as the Rosthern Lions surpassed their pledged amount and reached the Model Club level. We also have two more Maple Leaf clubs pledging to become Model Clubs, the Prince Albert Lions and the Saskatoon Downtown Lions. Two more Maple Leaf and/or Model clubs are possible. Way to go 5SKN. Lions in the District do understand the core mission of LCI which is *"to meet humanitarian needs and be the global leader in impactful service."*

### **Why are we getting such good support?**

Here are some facts: Over the course of LCIF's existence, Saskatchewan has received almost \$1 million in LCIF grants. (4 grants totaling over \$241,000 in the last 3 years alone!) Vision Service, Humanitarian, Diabetes, and Youth Service and Disaster Relief grants make up most of them.

Ah, **DISASTER RELIEF**. Tornadoes, floods, wildfires- all have been experienced in Saskatchewan and elsewhere in Canada during LCIF's 50+ years of existence and victims/communities have been helped by LCIF grants! Recently thousands of dollars have been granted for PPE for Canadian Covid-19 workers. **And now devastating BC flooding after a summer of devastating fires. LCIF grants have already been approved to help and more are in the pipeline.**

If your club or members have not made a contribution recently, or would like to help now when it can make a difference, particularly in BC, why not consider helping our District reach our goal of raising at least the equivalent of \$100 per member over the 4 years of Campaign 100? We are very close to achieving that goal! **Write on the info line of your personal or club cheque, "BC Disaster Relief"**. Send it to: Lions of Canada Fund for LCIF, c/o Stan Durward, Box 38, Sunderland, Ontario, L0C 1H0 or better yet send it to me at Box 93, Lake Lenore, Sask. S0K 2J0 (Disaster funds are eligible for MJF credits. Personal donations too, and if over \$20, are eligible for a tax receipt.) I can then send all club donations together for 5SKN impact.

**Christmas 2021 saw 5 families benefit from our Santa's Anonymous program.**

Each family received gift cards for groceries and each child received gift cards for toys and clothing.

This year, the Lions were fortunate to have the employee social club at Flaman's and South Country – two local business – join us to provide the gifts for the families.
