VOLUME 26 | ISSUE 2 | FEBRUARY 2023

Saskatchewan Lions' Monthly Digital Newspaper – "We Serve"

## A MESSAGE FROM YOUR 5SKN DG 2022-2023

**T**he month started with waistline expansion! Tim Horton's Donut Day! Why am I mentioning that? Because all proceeds from sales of Special Olympics Donuts from February 3 to February 5 were donated to Special Olympics Canada, and Lions of Canada have a Memorandum of Agreement partnering in service with that organization!!!

Then starting February 8, DG visits came fast and furious. I met with the President of the Pelly & District Lions Club to see what could be done about strengthening their club. Good discussion.

Phyllis and I then travelled south to just outside Yorkton for a DG night hosted by the Springside & District Lions Club. Members and partners from Yorkton, Willowbrook, and Rhein Lions also attended.

Several special recognitions were part of the evening activities. Rochelle Berns, a member of the Springside & District Lion since 2014, received the New Voices award for Service. PDG Don Reed of the Yorkton Lions Club received a Master Key Award for sponsoring 20 members over his years as a Lion. Milestone Chevrons for years of service were also presented.

February 10 saw us travel to Turtleford. There, visiting PDG Marie Milnthorp, was awarded a district-sponsored Progressive Melvin Jones Fellowship for her many years as Exchange Student Chair as well as other Lions service. Turtleford Treasurer, Lion Red Pearce, showed he could cook a great meal as well as keep the club's books in order. Chevrons were also presented to deserving members.

Monday the 13<sup>th</sup> of February saw Phyllis and I in Lloydminster. Many Chevrons were passed out there and 1<sup>st</sup> VDGE Ray Tatro and wife Shelley, along with PDG Nick Laley and Vic Juba, (a Lion since 1954), along with their club officers, proved to be great hosts.

The seven day whirlwind of visits concluded on the 15<sup>th</sup> with a DG visit to Prince Albert for a well-attended, well-run, informative Zone 3 meeting Chaired by Zone 3 Chair, Randy Braaten.

Many Zoom meetings were interspersed among all the DG meetings. The last encompassed three Eye Bank meetings, the AGM and 2 regular Board meetings all on the 21<sup>st</sup>.

### Service Reporting

I have some significant news about service reporting: 14 clubs have filed a service report since July 1. Some reported their December Hunger Alleviation Activity. Not bad, but I know **way** more service was done by clubs in the district. PDG Ellie Mae Bishop, GST Tim Haight, and Cabinet Treasurer, Eric Gerwing and I will be contacting all the clubs we know of that have done service activities or fundraisers (22 more that we know of at this time).

All will be helped to complete at least one service report in the next five weeks!

Don't forget! If you didn't do a Hunger Alleviation activity or report it to PDG Ellie Mae or me, you have until Easter (April 9<sup>th</sup>) to do something and let us know. Please help with service reporting when and if you are contacted. All clubs are encouraged to make an effort to make March our best service reporting month in the last five years.

We are targeting a 60-80% reporting rate!!! Please join us in helping make IP Brian Sheehan's slogan, "Together We Can" come true.

Several New Club Workshops have been held via Zoom in the past two weeks, led by an LCI provided Extension Specialist, PDG Paul Baker. Approval of the US\$1,500 grant for New Club Membership Development was received February 14<sup>th</sup>. A District Team which includes quite a few Lake Lenore Lions, members of the sponsoring club, are beginning a concerted effort to start a new Lions Club in Humboldt! We haven't chartered a new club in the district that has survived (as far as I can tell in My LCI records) since the Saskatoon Millennium Lions Club was formed in June of 1999! (Second newest was North Battleford on 1/8/1993) Wish us luck. Better yet, if you know of someone in Humboldt who might join a new club there, call me. (306-231-9987)

**Heads up! Only 3 DG visits have been booked so far for March; the 4<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, 18<sup>th</sup>, 23<sup>rd</sup>, 24<sup>th</sup>, and 25<sup>th</sup> are the dates not available. Only 4 months are left in this Lions year so if you want a visit, please call.**

## A MESSAGE FROM YOUR 5SKS DG 2022-2023

**G**reetings Lions. In my last article, I was mentioning how nice it was outside. It will get better again.

This month, I did a few visitations. I still believe every visitation that I have done, I have inducted new members, which is a very good thing.

With inducting new members, please remember to keep up with your reporting. Reporting everything

your club does is very important in many different ways.

Please remember about our training that will be held in Moose Jaw on March 4<sup>th</sup>. It's never too late to register.

Don't forget to support some of the different fundraising campaigns going on around the district. I know we can't support

them all, but please try your best to support a few of them.

With trying to figure out where to distribute your club funds, don't forget about our Sight and Service program. This program has benefited many different families around our district, so please keep them in mind.

We are just a few months away from our year end; each club probably has one or two dedicated Lions that should be recognized. We have many different awards that clubs can give out to these individuals. A little recognition goes along way.

Start planning your spring service projects and let's show our communities that we are still strong and involved.

Until next time, remember – "Together We Can" accomplish almost anything.

# GREETINGS FROM YOUR DISTRICT 5SKS 1VDG 2022-2023 LANE JOHNSON

**H**ello Fellow Lions! I have had a very busy couple of months. In both prepping for and going to St. Charles, Illinois, I have learned a lot of what we have to offer as an organization.

I was lucky enough to attend the FDG/DGE training seminar in St. Charles with over 600 other DGEs from all over the world. The seminar was incredible. Some of the highlights include:

• **A Tour of International Headquarters** – They had just finished renovating the LCIF donors’ room with screens. It was really amazing to see the inner workings of the organization. They have over 300 employees at the Oak Brook Office.

• **Classroom Sessions** – We learned about what style of leader we are (head, heart, guts), conflict resolution, how to work, coach, and lead people in leadership positions, and change management. Our instructor Jenny Ware was really knowledgeable and made the learning very fun.

• **Service Project Presentation** – The presentation my team worked on was chosen to go on to the next round and be viewed by Dr. Patti Hill and the Seminar Chair. I also got the opportunity to present the service project to a classroom from Taiwan with the help of a translator.

• **The Passport Project** – the FVDG/DGE attendees were tasked with filling out a passport booklet with 7 signatures. Each page had a different language and the goal was to learn common phrases from as many countries as possible. It was a great way to break the ice and meet people from around the world.

• **The Lion Portal** – I was lucky enough to see a demonstration of the new service/membership reporting portal. The deadline was extended to July and I have given them my information to be a tester for it. From what I have seen, it will be super easy to use and effective.

I am looking forward to applying what I learned and I am looking towards the future.

# LIONS FOUNDATION OF CANADA FEBRUARY UPDATE

## 'The Difference' campaign progress

The Lions Foundation of Canada's campaign for a new building is doing well. As of February 24, 2023, *The Difference* campaign has seen a total of \$7.3 million raised – \$1.7 million of which was raised by Lions Clubs and \$80,000 of it, including pledged amounts, comes from Saskatchewan Lions Clubs. Very impressive!! Keep up the good work!! **Reminder: Donations can be spread out over 5 years.**

**The Difference**

## Club participation in Blue Jays Weekend Raffle

This year's LFC Blue Jays Weekend Raffle is also doing well. A total of 33 Clubs have sent in cheques so far, for a total of \$7,575 – well ahead of the amount sent in by the same Clubs last year.

In 2022, 84 clubs turned in a record \$22,105, so that's our target for this year and we are ahead of the pace. Lookin' gooooooood!!

Saskatchewan Lions Clubs supporting the Raffle so far this year include the following (roughly according to when their cheques were received):

- Kenaston • Strasbourg • Ceylon • Lakeland • Fillmore • Lumsden • Glenavon
- Rosetown • Bruno • Martensville • Tugaske • Swift Current • Kipling • Carlyle
- St. Louis • Gainsborough • Elrose Lioness • Bulyea • Wolseley • Cupar
- Esterhazy • Eatonia • Elrose • Oxbow • Cabri • Balcarres • Bethune
- Middle Lake • Nipawin • Climax • Carrot River • Fort Qu'Appelle

Martensville Lions Club deserves special mention because they have turned in \$1,500 – the highest amount ever sent in by any Club for this annual Raffle. All of their tickets were purchased by members of the public; the Club did not buy any of them. Their 'Key to Success' was sitting at a local Co-op for several days – and smiling, no doubt!

Congratulations for an outstanding job of selling, Lions!!

# LIONS FOUNDATION OF CANADA DOG GUIDES

## Key Messages from February Board Meeting

As we settle into 2023, this is an exciting time for Lions Foundation of Canada Dog Guides (LFCDG). The Board of Directors recently met in person at the school in Oakville. The following is a summary of key discussions held at the Board meeting in February.

### Lions Clubs

- Plans are underway to welcome the District Governors Elect for a visit and tour of the Dog Guides school and facilities in June. We are excited to welcome you for a full weekend of activities and a chance to learn more about the impact our dogs have on the lives of their handlers, as well as show you the plans for our new school

- Convention season is a busy time and we are preparing to attend as many as possible. If you need anything from LFCDG for your convention, please reach out to Danielle Rosenblum [drosenblum@dogguides.com](mailto:drosenblum@dogguides.com)

- As part of the normal rotation of Board Directors, we are in the process of recruiting and selecting 2 new directors; 1 from Nova Scotia, and 1 from Quebec to each serve a 3-year term starting in October 2023. Any Lion in good standing from those provinces is invited to submit their application. The board is looking to find someone who has a legal background or is familiar with the issues in the disability sector but anyone is welcome to apply. If you are interested, please connect with

Lion Linda Baltzer at [nannygrampycoleman@eastlink.ca](mailto:nannygrampycoleman@eastlink.ca) (Nova Scotia) or Lion Maurice Pouliot at [mdpouliot@telus.net](mailto:mdpouliot@telus.net) (Quebec) if you have any questions about their experiences as Directors on the Board.

### Capital Campaign

- We have launched the capital campaign to raise \$25 million for our new school campus and training facilities. Our hope is to raise \$5 million from Lions Clubs across Canada. To date, 140 presentations have been made to Lions clubs across Canada and more are planned for the next few months. A total of \$1.6 million has been pledged by Lions from across the country so far and we are excited by this initial outpouring of generosity.

- We are hoping to break ground in the summer of 2023. The process of finalizing building designs and applying for approvals and permits has been a long one but the end is in sight and we are so excited to see our plans come to fruition.

### Fundraising

- While the capital campaign is a major undertaking, we still need to raise money to support the day-to-day, ongoing operations. Lions play a big part in supporting the school and we are grateful for your ongoing support as both clubs and as individual donors.

### Programs

- We are still recovering from the impact Covid had on reducing the number of dogs we were able to breed and therefore match with clients. However, we are returning to a more normal schedule and hope to match 100 clients with dogs in 2023 – that is an impressive growth of 32 percent over last year.

### 40th Anniversary

- We are excited to celebrate our 40<sup>th</sup> year of operations. Lions Foundation of Canada Dog Guides first opened as a result of the vision and leadership of Lions back in 1983 under the name Canine Vision Canada. Over the past 40 years, we have grown and expanded to include seven distinct programs and provide support on an annual basis to over 1,000 clients across Canada.

As Lions, you should all be very proud of the role you have played in making LFCDG a reality to help transform the way so many individuals live their lives with confidence and independence.

## ART OF RECOGNITION

*The following are presentation notes taken by MD5 New Voices coordinator Lion Crystal (Fargo Gateway Lions) at the USA/Canada Lions Leadership Forum in Calgary in September 2022. The speaker was PDG Lion Wanda Eddy, who was participating in her first Forum and was making her first presentation.*

At the USA/Canada Lions Leadership Forum in 2022, PDG Lion Wanda Eddy discussed the importance of giving thanks and showing appreciation to the Lions in our clubs and our districts who rise above the usual volunteering for projects.

Lion Wanda emphasized that recognition reinforces their efforts and shared some simple ways to show how they are appreciated:

1. Thank them in front of their peers at the club meeting.
2. Offer tickets to a local sports game to the head of a committee, or a fishing rod to the head of the fishing derby.
3. Invite them to have a cup of coffee with you.

4. Let them know they did a good job. They could be asked if they are ready for another opportunity to serve and if they would help with another project.
5. Ask all the people who helped clean the park or the ditches to stand up at the club meeting to be applauded with thanks.
6. District Governors could give them appreciation in their monthly newsletters.
7. They could be given a Lion of the Year plaque from the club.
8. They could receive a certificate of excellence at the club's end-of-year party from the club president or as recognition during a DG visit in the current term.
9. A DG could give appreciation to a Lion attending the local convention or at a multiple-district convention. (Ask them to stand for recognition)
10. Mention all they have accomplished during a Melvin Jones Fellowship ceremony.
11. For 50-year or 60-year or more members – consider the club hosting a dinner dedicated to honouring them for their many years of service.

# DIABETES ...AND LIONS ...IN CANADA (SASKATCHEWAN)

For many years, Lions have been involved in the provision of services to meet a particular need – the scourge of diabetes around the world. What perhaps started as a prevention task – devoted towards preventing and eradication of the leading cause of blindness (diabetic retinopathy) – it has become a global cause in its own right!

Why? In Canada, it is estimated that one in three Canadians has diabetes or pre-diabetes! And \$15.3B will be spent on diabetes-related healthcare. 700 million cases are anticipated around the world, 50% of which are undiagnosed; and 10% of all health expenditure is due to diabetes. 374 million people are at an increased risk of type 2 diabetes, and type 1 diabetes has no known cause or cure!

So we have a need! *Where there's a need, there's a Lion!*

For many years Saskatchewan Lions participated in the annual Cavalcade for Diabetes. A significant portion of funds collected was used to fund diabetes-education vans for use in Saskatchewan, particularly in northern Saskatchewan. As well, other Clubs participated in camp programs and direct donations to Diabetes Canada (previously known as Canadian Diabetes Association).

But Covid-19 hit! Diabetes Canada was forced to withdraw several of its efforts due to a funding shortfall (including the support of the diabetes-van education projects). Diabetic Camps were reduced or cancelled. And diabetic screening efforts were often not encouraged.

We are in the process of rebuilding. Diabetes Canada is examining its priorities and support activities. And Lions have had to re-examine their efforts to support diabetic programs. Lions from across Canada are in discussions with Diabetes Canada.

“  
**Recently,  
a Diabetes  
Committee was  
formed in  
Saskatchewan to  
assist Lions with  
the selection of  
activities...**  
”

Recently a Diabetes Committee was formed in Saskatchewan to assist Lions with the selection of activities. The main goals are not in question – diabetes “education and screening”, support of programs (such as “diabetic camps and peer support groups”), and contributions to “research” into the cause and prevention of diabetes. The avenues for Lions activities are numerous:

1. General support of diabetic activities through a donation labelled for “Diabetes” and made to the Saskatchewan Lions Foundation which has offered to receive Club and personal donations and disperse them according to the wishes of donors and the Diabetes Committee (Contributions to Saskatchewan Lions Foundation are eligible for a Marvin Chambers Fellowship if requested);
2. Direct donations to Diabetes Canada or to other groups soliciting support and offering services to diabetics or supporting research activities (Contributions to Diabetes Canada are eligible for a Harry A. Newman Award if requested);
3. Continued participation in diabetic-related activities – such as a peer support program, or diabetic camps, or diabetic screening or;
4. Develop a diabetes-related program with support from LCIF – through a Diabetes Grant, or a Matching Grant, or a District and Club Community Impact Grant.

*Stay tuned!* Or contact your Diabetes Committee members –

- PDG Tom Armstrong, Diabetes Sask Lions Liaison
- Lion Kim Kubik (5SKN District Chair);
- Lion Darrell Deck (5SKS District Chair), or
- Advisors PID Marvin Chambers or PID Garnet Davis.

Also active in working with the Committee are:

- Council Chair Marianne Kramchynsky
- DG Beryl Bauer      • DG Alvin Matechuk.

## MD5 INTERNATIONAL CAMP READY FOR CAMPERS

### Plans in the final stretch for MD5 International Youth Camp

Multiple District 5, which includes Saskatchewan, North Dakota and South Dakota, is in the final stages of planning a great come-back for the MD5 Lions International Youth Camp.

Campers will arrive July 16, 2023 and spend the next 6 days in a whirlwind of activities, departing on July 22, 2023. Camp will be held at Medora, North Dakota at the Badlands Camp, located just

outside of Medora and next to the river and Bully Pulpit Golf Course.

Plans for the week are to: attend the Medora Musical, zip line, go horseback riding, play mini golf, go hiking in the Teddy Roosevelt National Park, have fun at the Wavy River, and travel to South Heart, North Dakota for Burgers in the Park. We will have night swimming in the river, if the river has water at the time. The Badlands Camp has high- and low-ropes to challenge the campers, and it is really fun.

“  
We are asking each club in the MD5 District to sponsor one student.  
”

As you can see, we are planning a great time for our campers. We are asking each club in the MD5 District to sponsor one student. If you have more than one we would be so grateful. We did not invite foreign students this year as we still may have travel hiccups with International travel. So this year, it's just North Dakota, South Dakota and Saskatchewan youth participants.

This is a unique opportunity to meet student campers from the

entire MD5 District. If you are age 15 to 18 and wanting to meet others and have a great camp experience, let your local Lions Club know of your interest.

The cost of the Youth Camp is US \$400. This includes all food, lodging, and activities. *Come be part of the adventure.*

If you have questions about the camp, please call Lion PDG Judy Beaudry at 701-220-4410 or email [jbeaudry@westriv.com](mailto:jbeaudry@westriv.com)

## LIONS QUEST CANADA UPDATED 2023 NEWS

We believe in 5 things all kids need:

- Strong positive relationships with people who care about them
- Safe and caring places to live, learn, and play
- Opportunities to provide service to others, learn and try new things
- Healthy habits
- Hope for the future

What are we working on right now?

**Introducing (or re-introducing) our programs to educators** – Social & Emotional Learning is being talked, and the importance has significantly increased as students return to classrooms after the pandemic. We need to promote our program as an effective, proven resource that not only helps to reduce negative behaviours like bullying and substance abuse – but also promotes positive behaviours like healthier relationships with peers/family and community service learning. With suicide as the leading cause of death for teens, it's critical to support mental well-being.

**Virtual training opportunities** – We have two virtual workshops available – one for schools/educators and the other for communities. By getting together online, it's very easy to get things started in your school or community by just sponsoring one or two participants. We say it "takes a village to raise a child" – you are a villager – your club is part of the village.

How can you help?

**Spread the Word!** – You have family, friends, neighbours who are educators or may be interested in our work. Simply mention Lions Quest to them and ask them to check it out. It's very clear that our growth is dependent on word of mouth and personal relationships. You don't need to be the experts, just the catalyst.

**Lions Quest Fellowships** – For **\$500**, you can honour someone with a Lions Quest Fellowship. The application is available on our website at [www.lionsquest.ca](http://www.lionsquest.ca). Our goal is to award 50 Fellowships this year.

**Q-Bear Fan Club** – For **\$100**, you can join the Q-Bear Fan Club. Personal donations are eligible for a charitable tax receipt. As we launch this new initiative, our goal is to have 50 Q-Bear Fans this year.

**All Other Donations** – We welcome donations of any amount. Dedicate all or a portion of fundraising event proceeds to Lions Quest Canada. Use your funds from bingo/gaming events (as allowed by your municipality). Include Lions Quest Canada in your annual budget. Our goal is \$135,000 from the Lions Family of Canada this year – we can do it!

This form covers 2 categories – Lions and Past District Governors. Past District Governors must accumulate **125 points**. The Saskatchewan Lions Hall of Fame invites applications for nominees for 2023. A general outline of the eligibility and criteria appears below. We invite all clubs to submit a nominee, please use this form for your submission. The deadline for postmarked applications is **June 30, 2023** and the presentation will take place during the 2023 Saskatchewan Lions Convention (on Friday evening, October 27, 2023) at the Travelodge in Saskatoon, SK.

There will be annual selections through a nomination process starting at the club level, which will recognize a Lion or PDG for their contributions to Lionism and their community. The names of recipients will be placed on a large plaque and they will receive a small keeper plaque and Hall of Fame pin (year engraved). Runners-up will have their nomination form kept on file for future years.

### ELIGIBILITY

- The nominee must have served as an active Lion for 10 years.
- PDGs and Lions may be nominated by any active Lion. They must receive the endorsement of their club's Board of Directors and also the club members.
- The nominee's activities and their contributions to Lionism must be fully documented by the club's Directors.
- Former Lioness members who have joined a Lions Club may apply as a Lion/Lioness.

### NUMBER OF AWARDS

Each of the two districts – 5SKS and 5SKN – will have three finalists in the Lion and PDG category. All living and deceased nominees will be combined in a single category. Deceased Lions and PDGs will be eligible when they are the only nomination from their district.

### METHOD OF CHOOSING RECIPIENTS

A Hall of Fame Committee will use the total points awarded as the basis for naming finalists. Clubs will be notified if their nominee is successful and it will be up to the clubs to tell their inductee that they have been chosen. Names will be published in the *Lion's Pride*, so clubs are advised to tell their members as soon as possible. The sponsoring club or recipient is responsible for paying for their meal at the Hall of Fame Banquet.

### FUNDING FOR THE HALL OF FAME

The Saskatchewan Lions Hall of Fame will be totally funded by the Saskatchewan Past District Governors' Association and the Provincial Convention.

# LAKE LENORE LIONS HUNGER ALLEVIATION PROJECT

The Lake Lenore Lions Club has been busy supporting the District's December Hunger Alleviation effort, and recently presented a \$2,200 cheque to Shawna Andrew of the Lake Lenore Co-op. The funds – a portion of the LCIF Community Impact Grant money earned by the Lions during LCIF's Campaign 100 – were used to purchase groceries for the Humboldt and District Food Bank.

A further \$882 was collected by students of Lake Lenore School, \$300 more was added by the Lake Lenore Lions from their Activity Account, and \$3,000 more was added by the Lake Lenore Co-op.

All-in-all, a total of \$6,382 worth of groceries was donated to the Humboldt and District Food Bank – a great effort towards alleviating hunger in the area.

At the end of December, 2022, students from Lake Lenore School and several members of the Lake Lenore Lion Club – 5SKN DG Beryl Bauer included – presented a \$2,200 cheque to Shawna Andre of the Lake Lenore Co-op. # CUDWORTH LIONS NEWS

## Family Day Scavenger Hunt

The Cudworth Lions Club went all out for Family Day this year with their Scavenger Hunt event.

The hunt began in the afternoon of February 19 and went until February 21 to allow families to find and document all of the clues they found around town as they attempt to solve the puzzle.

An additional fun element to the scavenger hunt was the option for additional chances to win the prize; the Lions placed rocks with the Lions logo in certain areas and if participants wanted to, they could take a selfie with the rock and submit the photo on the Club's Facebook page, giving them an extra entry.

The Cudworth Lions gave away fun prizes including Clip 'n Climb passes, Jurassic Park passes, and some family fun packs to locals who participated in their Family Day Scavenger Hunt.

The Club hopes everyone had a wonderful Family Day! The Scavenger Hunt winners were: Kash F (\$50 gift card and goodies); Tyler P (goodie basket); Godart Family (Battleship game and goodies); Kreiser Family (Tumbling Tower game and goodie basket); Jenson Family (goodie basket); and Alli Kreiser (Special draw of the Lions' rock selfie submission).

## 2023 Poker Rally

The Cudworth Lions Club, along with the Cudworth Childcare Committee (and several volunteers), put on a Poker Rally at the beginning of February and the community really showed their support.

There were several snowmobile riders from near and far, prize donors, those who bought poker hands, raffle ticket sales, 50/50 draws, and breakfast, lunch and dinner throughout the day.

The Club thanks all those who showed up in any way to make the event a success and wants to congratulate this year's Poker Hand winners: first place – Jolene Baumann; second place – Jamie Markowski; third place – Brayden Wruck.

# PRINCE ALBERT '2022 OPERATION RED NOSE' DONATES TO AREA SCHOOLS

Eleven Prince Albert and area elementary schools each received \$400 from the donations collected by the Prince Albert Lions Club during the Operation Red Nose campaign in December 2022.

Schools intend to use the funds to assist with the purchasing of things such as: playground equipment, books for their libraries, leadership development programs for their students, and technology upgrades.

The Lions Club was pleased to bring Operation Red Nose back in Prince Albert for the holiday season after missing two years. 2022 was the 11<sup>th</sup> year that Prince Albert Lions Club has hosted the program in Prince Albert and area.

The program provided 130 rides over the 11 nights of operation this holiday season. Volunteers safely delivered home a total of 275 people in their own vehicles, driving over 1,700 kms. Five Lions and 18 community volunteers put in over 600 hours during the season to keep the city streets safer.

Prince Albert's Osborne School received a monetary donation from the PA Lions, thanks to donations received through their Operation Red Nose program over the December 2022 holiday season.

In the end, \$3,582 was donated by the folks who used Operation Red Nose to get home.

The Prince Albert Lions Club and Operation Red Nose are thankful for the volunteers and the local businesses that assisted in sponsoring the program: Anderson Motors, Lakeland Ford and Lakeland Hyundai (all who provided their shuttles to use as escort vehicles); and Boston Pizza, Domino's Pizza Red Swan Pizza, TJ's Pizza, Old Dutch, and Tim Horton's for providing food to keep the volunteers well fed during the cold nights.
