

A MESSAGE FROM YOUR 5SKS DISTRICT GOVERNOR 2021-2022

"Lions on the Move"

Where did May go? The months are flying by as we enter the last months of this Lions year, but the District business moves forward as it should. Below are some of the highlights of this past month, as well as some things to look out for in the coming months.

My visitation on May 10 with one of our local Regina clubs was a treat. The Regina Lakeside Lions Club is one of three clubs in the Queen City and the largest. Their club is affectionately referred to as the "Governors' Club", as six of their members are Past District Governors, one of which is also a Past International Director. This club is a very committed Lions Club International Foundation (LCIF) supporter and has attained a Model Club+ this past year.

My home club, Regina 35 Lions Club, works on joint Lions initiatives here in Regina through our Coordinating Committee which is comprised of three Clubs: Central Lions, Lakeside Lions, and Regina 35 Lions.

The MD5 Multiple Convention was held this year within the Cypress Hills Interprovincial Park at the Resort at Cypress Hills. Lion Debbi and I drove down on Wednesday, May 11 in order to attend the Global Action Team (GAT) Summit held on Thursday, May 12 just before the start of the convention which began on Friday, May 13. Lions from our MD – Saskatchewan, North Dakota and South Dakota, along with Lions from

MDC (Alberta) and MD5M (Manitoba) – were in attendance. Your entire District Governor Team was in attendance, along with a strong turnout by fellow District 5 SKS Lions. District Governor Elect (DGE) Alvin Matechuk received his red jacket and First Vice District Governor (1VDGE) Lion Lane Johnson was awarded an International Presidents Medal as was the Host Convention Chair Lion Page Newton. Congratulations to Lion Page and her hard-working committee for organizing a fine convention – that hard work paid off! Lions from our district were also recognized for their New Voices awards.

Work is taking place as we speak to develop the 2022-2023 District Cabinet. I have been working with DGE Lion Alvin Matechuk, and the District Governor Team to fill all of the cabinet positions. A number of incumbents are staying on and we thank them for their continuing service and dedication to your District. There will be a 'Presidents' training seminar taking place at the end of the upcoming Cabinet meeting being held in Moose Jaw on Saturday, June 4 (1:00 p.m.). We are encouraging Lions Club Presidents and those Lions who want to learn about club executive positions to register for this important session – those wishing to do so should contact PDG Lion Jim Vermeersch as soon as possible for details. His contact information is jimverme@sasktel.net or 306-421-2372. **YOUR DISTRICT NEEDS YOUR HELP AND YOUR EXPERIENCE TO CONTINUE**

TO SERVE ITS LIONS – PLEASE THINK OF THE OPPORTUNITIES AND TRAINING BEYOND THE CLUB LEVEL! It is very rewarding.

I am very happy to announce that the LCIF Matching Grant applied for by your District in support of the Childhood Cancer Clinic has been reviewed and approved by LCIF at their recent Board meeting held in Chicago. We are grateful for the support received to date. Support from you and your club is still needed to reach our 50 percent requirement of the grant total. Please make your Club or individual donations to: **Saskatchewan Lions Foundation, Box 23025 Market Mall, Saskatoon SK S7J 2G0.** Ensure the bottom of your cheque indicates the donation is for the Childhood Cancer project. Your support of this project is appreciated, and I know we will be successful in reaching our funding commitment.

Thanks for all that you – District 5 SKS Lions – do for our communities. The support and hard work you have shown to me and the DG Team never ceases to amaze us all. Keep doing what you do so well – SERVE!

A MESSAGE FROM YOUR 5SKN DISTRICT GOVERNOR 2021-2022

May 26, 2022 update

And just like that May is almost over as is my term as 5SKN District Governor. It has been such fun visiting with Lions from all over our vast district! I know I can get a bit carried away when I start talking but that's because there is so much to talk about.

The big event in May was the MD5 Multiple District Convention on at the beautiful Resort at Cypress Hills. It kicked off with a Global Action Team Summit, explaining how the GAT process should begin with the club level,

go to the District Global Action team, then to the Multiple District for resources, support and consistency. The Multiple is responsible for guiding and supporting the districts who, in turn, assist clubs in problem solving and planning for service, leadership and membership activities.

The MD5 Convention featured: Lion Ron Morris talking about the science of being happy; Lion Mel Foat, who experienced sudden onset blindness as an adult, and his dog guide Warden; the amazing Alvin Law; the totally danceable music of the Bromantics from Moose Jaw; and the comedy and magic of Trevor Moore. It was good to laugh and be with people after the last two years of isolation and Zoom meetings.

The Saturday luncheon was followed by the red jacket ceremony, where incoming Governor Beryl Bauer finally got to don his District Governor's crested blazer. DGE Beryl will be a great District Governor for the 2022-23 Lion year and I look forward to handing over the gavel at the final Cabinet meeting of the year in Rosthern on June 4.

On the business side of the convention, a constitutional change was approved which will re-establish state and provincial representatives at the Multiple District council table. These representatives will be chosen from a pool of the immediate past District Governors as well as the two previous years' DG's for that province or state. This will bring another layer of continuity to deliberations at the MD level.

Following the Saturday evening banquet and address by International Director Larry Edwards, a Presidential Service Medal was presented to Lion Garry Beaudry of the Prince Albert Lions, while Past District Governor Lion Dan Babyak from Esterhazy Lions was presented an International Leadership Medal. Congratulations to both, well-deserved indeed!

We still need a Second Vice District Governor for the

upcoming year who will eventually become DG at the 2024 International Convention in Melbourne, Australia. For more information about qualifications, please contact me or incoming District Governor Beryl.

I was pleased to host the Diabetes Canada Peer Connect sessions which started on May 18 with the Type 1 session on nutrition, while the Type 2 session was held on May 19. The next sessions are on June 8 (T1) and June 9 (T2) at 7:00 p.m. Check the [Diabetes Canada website](#) or [Facebook page](#) for the signup link. These sessions are sponsored by Lions of Saskatchewan and they're free to attend.

On May 24, we were invited to the Saskatoon Millennium Lions Club supper and awards evening and I was very pleased to present four club members with Melvin Jones fellowships. In spite of the pandemic and restrictions on meetings over the last two years, this club has remained active in service and is to be commended for its commitment to the community.

We have the June 4 Cabinet meeting as well as several more club visits on our calendar for the first half of June, and then we will be heading to Montreal for the International Convention, stopping along the way to visit our daughters and grandson in Ottawa.

And to close – Lion Daniel Marney Elkins likes to say, "If you're not having fun, you're doing it wrong!"

Let's make sure we make room for fun in all we do in service.

District Governor / Rosthern Lions Club

RED JACKET CEREMONY –

At the MD5 Convention's Red Jacket Luncheon on Saturday, May 14 in Cypress Hills, District Governor-Elect Beryl Bauer received his well-deserved jacket upgrade! Beryl is pictured above centre, with his wife Phyllis at right, and DG Marianne Kramchynsky at left.

A MESSAGE FROM YOUR 5SKS DISTRICT GOVERNOR-ELECT LION ALVIN MATECHUK

Hello Lions,

Spring. I think it's finally here. Since the last *Pride*, things have started to pick up. In our club (Pilot Butte & District Lions), DG Doug Ross came to have a visitation. At the visitation, he inducted three new members. I guess the old saying 'Just Ask' worked with these three. It does work some of the time, but if you don't ask, it will never work. DG Doug also presented a few Chevron awards to deserving Lions.

“
The district directory needs to be finalized between June 4-10, 2022...
”

A huge pat on the back has to be given to Lion Page Newton and the committee on the excellent job they did on the MD5 Convention held in Cypress Hills. An excellent time was had by all. The speakers, entertainment, training, and meals were all top-notch. It was also great to meet all the people you have only seen from the neck up.

Final group classes and arrangements are all in the works for Montreal. It seems like a long way away but it will be here the day after tomorrow. Am I ready???

We also are all getting close to the end of the Lions year which means ...club elections. Make sure your club gets your information entered on [MyLCI/MyLion](#) and on time. Getting everything in means a lot less work behind the scenes chasing clubs down. The district directory needs to be finalized between June 4-10, 2022.

With summer around the corner, a lot of clubs take the summer off which is well deserved; however, ensure your Club tries somehow to let your community know that you are still around and active if someone your community or surrounding area needs help.

Also important to note is that there are a few 2022-2023 cabinet positions still to be filled and a few cabinet members need some help. If you can spare a little time, that little time will go along way and make a big difference. *Note: The 5SKS organization chart has been included at left so you can see where we are at right now in planning out 2022-2023.*

Furthermore – the 2022-2023 calendars are in. These calendars run on the Lions year and each month showcases a peace poster. Contact me if your club would like some; they are \$10 each with all monies collected donated to Lions Clubs International Foundation (LCIF). Clubs should

buy some and hand them out to your local schools to promote the peace poster competition.

They also make for a nice birthday gift or anniversary gift to your significant other.

In Lionism,
- Lion Alvin Matechuk

A MESSAGE FROM YOUR 5SKN DISTRICT GOVERNOR-ELECT LION BERYL BAUER

Another busy month and that doesn't include time spent trying to get the crop in! April ended with a visit to the Middle Lake Lions Club, where they awarded their first-ever Melvin Jones Fellowship to a long-serving member, Trevor Otsig.

They also held a hockey draft and had a 50-50 draw. The winner would have received \$750, but as the proceeds from the 50-50 were designated to the Ukraine Refugee Relief Campaign, the winner donated his half to the cause so \$1,500 was given by the Club to LCIF.

BERYL BAUER

LIONS' SERVICE SESSION #4

Service needed!!!

We are at a time when Lions need to record their service – both projects and individual works that Lions do. Most clubs that I have spoken to are in a rebuilding stage either because they have been inactive for a time or have been Zooming and haven't been able to do their usual in-person service projects.

“
Organizations
...watch what
we are doing by
our statistics...”

”
As I stated in my previous Lions' Service sessions, we sometimes don't recognize that we are doing service. Look around and see if there are areas that Lion's can help with – elders who need help with transportation to or from their homes, schools needing an activity day, etc. We know students are having difficulty with their social-emotional learning due so many changes in their lives. This is just a few suggestions to keep our service work up.

Most people join Lions Clubs because they want to be active in service and helping the community. Our numbers have been going down. Would putting more emphasis on service and keeping people active in the club help? Providing funding for disasters, community improvements, youth cancer and youth development have been strong uses for Lions' donations. Other organizations also give to Lions BUT they watch what we are doing by our statistics – which is one great reason to report our service.

My thanks to the clubs for your work to improve our communities and help those in need. Have a great summer! Remember Lions – We Serve!!!

-PCC Lion Eunice Cameron,
5SKS Global Service Chair

On the 2022-23 Cabinet front, there are now only 3 positions not filled – a Childhood Cancer Representative, a Zone Chair in Zone 9, and we urgently need a 2nd Vice District Governor nomination (so they don't miss out on any training!). Still hoping the last three positions will be filled before July 1! **Any suggestions/volunteers would be extremely welcome.**

Since May 1, only one VDG training session has taken place. District goals were due to be submitted by May 30. There haven't been any changes since they were presented at the April 9th Convention in Rosthern, but they can be added to or changed during the year if any good suggestions come forward.

Seeding on the farm, attendance at a GAT training day, and the 3-day MD5 Convention May 12 through 15 restricted my club visits, although I did get to Cupar on May 16.

A second training session was held for incoming club officers on April 30, where our GLT, PDG Gail Haight and PCC Tim Haight, delivered another helpful session. If demand arises, we may do a third session for Presidents, Secretaries and Treasurers as well as a short lesson on accessing MyLCI. It's a District goal to assist all of the incoming club officers! Knowledge is power. What have you got to lose? Only an hour! We are now also working on some training sessions for incoming Zone Chairs later in June and /or early in August.

On the convention front, several evenings were spent assisting with prep for the MD5 Convention. It went off with very few hitches in Cypress Hills on May 12 through 15, even though it was unfortunate that a few speakers had to cancel. Along with other incoming DGs, I was given my red jacket. The ceremony was memorable. (Alvin Law was a highlight for me – if you need a GREAT speaker, I highly recommend him.)

There are just a few more training sessions / preparations before the June 24-29 Lions International Convention in Montreal and then we're on to the new Lions year. The Convention is the chance of a lifetime as it's not held in Canada very often. It's still not too late to register! Being 5SKN DG is going to be a great deal of work but we have a great Cabinet Team and many great clubs.

Let's make 2022-23 a year we ROAR!

red jacket...

LIONS EYE BANK FUNDS SPECIAL EQUIPMENT FOR REGINA EYE CENTRE

The Saskatchewan Lions Eye Bank recently provided funding for specialized equipment used in the Eye Centre at Pasqua Hospital in Regina. An initial grant of \$10,000 was provided to purchase an LED Module for the Eye Centre Slit Lamp and when connections to the current Slit Lamp became problematic, the Eye Bank approved a further \$7,000 for equipment needed to attach the Module to the existing Slit Lamp.

The presentation of the initial \$10,000 was made at the end of April at the Hospitals of Regina Foundation office located at Pasqua Hospital. Pictured above, left to right: Steven Klotz, Director for Organ Donation; Lisa Green, Vice President, Hospitals of Regina Foundation; Karen Kimpton, Manager of the Eye Care Center at Pasqua Hospital; Garnet Davis, President of the Lions Eye Bank of Saskatchewan; and Rick Pockett, Secretary of the Lions Eye Bank of Saskatchewan.

LETTER TO DGs, CONVENTION INTERIM FINANCIAL STATEMENT

DISTRICT GOVERNOR MARIANNE & DISTRICT GOVERNOR DOUG,

Finally we have most of the numbers from the 2021/2022 Yorkton-based Provincial Convention. Please note that all refund cheques have not been deposited as yet so the accounts are not balanced.

The following is a DRAFT INTERIM FINANCIAL STATEMENT which will be finalized when all expenses have cleared and the Statement has been reviewed and accepted at a regular Yorkton Lions meeting.

It should be noted that no one knew what the ongoing effects of COVID-19 would be and what the perception to it would be to Saskatchewan Lions when the restrictions were removed. I was personally very disappointed that our Convention was cancelled due to the lack of registrations but the Members spoke.

Yours in Lionism,

- Lion Don Reed,

Chair, 2021/2022 SK Provincial Lions Convention

SUGGESTION FROM YORKTON LIONS CLUB –

IF ANY CLUB WISHES TO TAKE ADVANTAGE OF THE CONVENTION DEPOSITS THAT WERE MADE

The “entertainers/presenters” deposits are available to either District and/or any Saskatchewan Lions Club and the deposits could be used for said bookings.

For example, the cost for Rory Allan was \$4,500 (depending on partial or full show) plus expenses. The \$1,000 deposit could be used making the actual cost \$3,500 and the Districts could be reimbursed the deposit. Or, the cost of Wayne Lee was \$10,000 plus expenses. The \$2,500 deposit could be used making the actual cost \$7,500 and the Districts could be reimbursed the deposit. Or, the cost of Justin Flunder was \$4,800 plus expenses. The \$900 deposit could be used making the actual cost \$3,900 and the Districts could be reimbursed the deposit.

At this time, Yorkton Lions has no interest or projects to take advantage of any of the above. But why wouldn't the upcoming Provincial Lions Convention in Regina take advantage of this situation or any other LIONS CLUB in the PROVINCE. If anyone has interest and wishes to investigate please contact the Yorkton Lions Club.

PET VALU WALK FOR DOG GUIDES IN SASKATCHEWAN

This year's 8th Annual Pet Valu Walk for Dog Guides took place at the end of May, with several Saskatchewan communities taking part in the fundraising efforts. Monies raised through these Walks help Lions Foundation of Canada continue to fulfill its mission of empowering Canadians with disabilities to navigate their world with confidence and independence by providing Dog Guides at no cost to them, as well as supporting each pair in their journey together.

While Dog Guides are free to the client, the dogs can cost upwards of \$25,000 to \$35,000, and that means monetary help is required to be able to provide these assistance dogs to those in need.

REGINA LOCATION WALK –

Five Lions Clubs were in Regina's Wascana Park on May 29 for the Walk for Dog Guides event which turned out great – the rain even held off for the most part! Participating Clubs were: Regina 35 Lions, Regina Lakeside Lions, Bethune & District Lions, Lumsden Lions, and Regina Beach & District Lions.

The Martensville & District Lions Club was one of many Clubs taking part in the Walk this year. They currently have two individuals within their community who are waiting on dog guides – one Hearing Assistance Dog, and one Special Service Dog for a high school student. Both dogs have been delayed due to Covid restrictions.

At press time, the below listed Clubs and communities' reported Walks and total funds raised were as follows, as per the [Walk website](#). Complete totals and details should be available in the June 2022 edition of *Lion's Pride* – stay tuned!

- **Martensville & District Lions Club** (with Saskatoon Lions Club) – \$9,415 raised
- **Nipawin Lions Club** – \$125 raised (ahead of their June 5 Walk date)
- **Prince Albert Lions Club** – \$405 raised
- **Regina** (Regina 35 Lions, Regina Central Lions, Regina Lakeside Lions, Regina Beach & District Lions, Bethune Lions, and Lumsden Lions) – \$2,286 raised
- **Riverhurst Lions Club** (in Central Butte) – \$5,512 raised
- **Rosthern Lions Club** – \$174 raised
- **Saskatoon Lions Club** (with Martensville Lions Club) – \$1,150 raised
- **Spiritwood Lions Club** – \$250 raised (\$5,000+ noted on their social media page)

UPCOMING LIONS EVENTS

FOCUS ON LEADERSHIP: 2022 SASKATCHEWAN LIONS CONVENTION

Hello Lions of Saskatchewan,

It is time to get this province rocking. Have you had enough of Covid and no social interaction? Well, we think it will be controlled and down to a minimum for the October 28-30, 2022 Saskatchewan Lions Convention being held in Regina at the Ramada Plaza.

Your Planning Committee has been working hard to put a great program together. Our keynote speaker is Lynn Kanuka-Williams, with convention topic *"It All Starts with a Voice Inside..."*. Lynn made her Olympic debut at Los Angeles 1984 in the first-ever running of the 3000m for women in which she took home the bronze medal for Canada.

There is also a training session with Jolene Watson titled *"Strength in Leadership"*, a presentation by STARS, and International Director Ken Ibarra from California who will be giving us greetings from International and our plans are to induct new Lions members.

Entertainment is also dynamic with international recording artist Jack Semple Band (from Regina) rocking the hotel Saturday night.

This is the first in-person Lions convention since Saskatoon in 2019. Regina and area Lions look forward to hosting all of you in the Queen City this October.

The registration and program is available for your information. Get those registrations in to take advantage of the Early Bird pricing. Lions Quest Professional Learning Community

For those who are already teaching Lions Quest programs, we recognize that you may have great ideas & strategies to share, or may be facing some challenges in delivering this program in a virtual environment. We have been trying to think of ways that we may be of some assistance to you and have put our thinking caps on. One idea that we would like to extend to you is forming a Lions Quest SEL Professional Learning Community made up of

educators such as yourselves from many school divisions across Canada. The goal of this learning community would be to learn from each other, share research, and problem solve together.

If you could envision a Lions Quest Professional Learning Community being a benefit and support to you and your work as an educator, would you be interested in pursuing this further? If so, please take a moment to complete this very brief survey to help us determine the best format for this community.

THE LATEST LCIF CAMPAIGN 100 NEWS FROM 5SKN

Forty-four Clubs in the District have donated

What a difference a month makes! Campaign 100 has almost reached the \$300 million target. Current totals were at \$297,744,228 as of the last LCIF Campaign report in late May which included cash received and/or pledged. That's 99.2 percent of the Campaign's goal!

Canadian contributions are now over \$4.2 million. Seventy-six clubs have reached Model Club level and over 100 have achieved the Maple Leaf Club level.

In our District, 44 clubs have donated to Campaign 100. It would really be great if we could hit the 100 percent level! Total District contributions for this Lions year jumped to \$29,473. It is interesting to note that personal contributions account for 23 percent in Canada whereas internationally they stand at 68 percent.

LCIF has awarded over \$33 million in grants in the 2021-22 Lions year. The latest for Saskatchewan was US \$46,931 awarded to equip a Children's Cancer Clinic in Regina with an Anaesthesia Machine and Monitoring System! Just one more benefit of supporting our Lions foundation.

Of interest to Ukraine refugee funders might be that over US \$940,000 of the \$4.5 million collected for the Ukrainian catastrophe has already been directed towards refugee efforts in the Ukraine and neighbouring countries.

Since last month, more clubs have taken advantage of recognizing worthy members with an MJF. The District has awarded 28 to date, five of which were PMJFs. More are in the process of being finalized. As I've said before, all will be acknowledged at LCIFCon 2022 in Montreal in June as well as at a special ceremony on June 15, co-hosted by 1st International Vice President Patti Hill and PID Judge Brian Stevenson. So act soon or you'll miss the June 15 recognition!

Same ending as last month!! **Haven't given a personal donation yet? The Campaign ends June 30, 2022.**

Why not register for the June 5 LCIF Campaign 100 Tell-A-Thon? It will be hosted by LCI VP Brian Sheehan and feature great music, entertainment, celebrity cameos, and more. It runs from 10:00 a.m. to 2:00 p.m. CDT. You can register at party.tellathon.org

No time for that? Mail a cheque to me (Beryl Bauer, Box 93, Lake Lenore, SK S0K 2J0) or to Lions of Canada Fund for LCIF/ Tell-A-Thon, Box 38, Sunderland, Ontario L0C 1H0.

LOBSTERFEST SUCCESS!

The Yorkton Lions Club's Lobsterfest event is a huge part of the Club's annual fundraising efforts, and this year's gathering did not disappoint. Despite the gloomy weather on May 27, over 450 people showed up to enjoy the great food, friendly faces, and live music.

PRECIPITATION HINDERS PUMP TRACK BUILD

Unfortunately, mother nature has stopped the fun at the new bike pump track that the Southey and District Lions Club had planned on starting constructing. This excessive amount of rain we've been having in the province is flooding many areas (the above photo is from mid-May) but the Lions will be improving drainage as soon as they can so they can get their newest project started. Stay tuned!

LANIGAN LIONS CLUB – MAY NEWS

Ultimate Odds Lotto commences

Sales have commenced for our next major fundraiser: the Ultimate Odds Lottery. We call it Ultimate Odds because chances of winning a prize are quite good. Only 100 tickets are sold at \$100 each. Every tenth ticket drawn wins \$100; the last ticket from the drum is worth \$4,000. Ticket sales will cease June 4; draws will take place June 8 and June 22.

Scholarships given out at music festival

The 45th Lanigan and District Music Festival took place recently at the Christian Fellowship Church. Large crowds attended the concerts, including 130 at the final event. Congratulations to all participants – especially to the winners of our Club's \$100 scholarships: Jenevieve Melin (vocal) and Noah Doromal (piano).

Donation to local food bank's renos

The Lanigan and District Food Bank has a new home next to the local post office, a move necessary when their previous location was sold. In a letter to our club, we were told that, "our local contractor was able to do the renovations in March, making the space more workable for the food bank needs, but there is a cost for supplies, materials, paint, lighting, etc. We are striving to keep the cost minimal for the food bank so we can continue to use our funds for the needs of our patrons."

We sent a cheque for \$200 to help in the renovation cost.

Lions Campground sees major upgrades

Lion Brad Huculak, our hard-working Lions Campground manager, anticipates heavy use this summer due to Nutrien updates, BHP plans, a new school being built, splash park construction, etc. Some of the major upgrades include many new barbecue pits and some new tables.

We invite campers to our campground; we offer small sites, many shaded sites, large pull through sites with 30-amp capacity, co-ed washrooms with free showers, a children's playground and close proximity to the Lanigan golf course. Fees remain the same. We will see you there!

Get well soon

Get well wishes are extended to Lion Aron Renwick, our president. See you soon; you are missed!

Assisting the people of Ukraine

LFC (Lions Foundation of Canada) is now focusing its efforts in assisting the people of Ukraine. Our own club is examining our participation in this program. Details of our involvement will appear in the future column.

GLOBAL LEADERSHIP TEAM – 5SKN

Upcoming Training dates

Hello Lions,

It appears that summer will be here soon which means that the Lionistic year end is fast approaching. If you are a new Club Officer, please take advantage of the online training in MYLion and take the Club Officer training. Also go to 'Resources' and locate the E-Book for your position.

It was hoped that the training for Zone Chairs would occur on May 28 but it has been delayed while conversations are being held on how best to do it. Emails should be going out soon on when and how the training will be conducted. Anyone interested in it should let me know.

Regional Lions Leadership will be coming soon; right now it appears that it will be held September 30 through October 2. Details are being finalized as to where it will be held.

If any Lion has questions on any leadership training, please feel free to send me an email or contact me – I'm always happy to hear from fellow lions.

CHURCHBRIDGE LOCAL WINS BIG

At their Chase the Ace evening on May 19, the Churchbridge Lions Club drew Michelle Zulyniak's name from the barrel of tickets, which meant she instantly won the

weekly pot of \$404. However, it was Michelle's lucky night and she also took home the Acepot of \$6,159 after finding the Ace of Spades in the deck of cards! *Congrats!*

On May 2, the Shell Lake & District Lions Club met up to put together 2,200 bags for their cabin calendar drop. Pictured above is the Parkland Predators team who put in a great effort in helping out the Lions.

The calendar drop prep was a group effort that ended in a successful evening.

CAMPAIGN 100 UPDATE, DISTRICT 5SKS

Fellow Lions of District 5SKS:

Here we are at the end of May with only one month left in our Lions year and one month left in our Campaign 100. With that said, we still have yet to reach our goal in District 5SKS and we are asking for all Lions in our District to make a "last ditch effort" to achieve our District goal by contributing what you can. Regardless of the amount, it is always gratefully and thankfully received. You can do it online through Lions of Canada Fund for LCIF or send a cheque. Why not consider contributing your donation to the Ukrainian Refugee Relief Fund?

“
 ...one month left in our Campaign 100...
 ”

Closer to home and that is a grant approved by LCIF to support equipment for the Children's Cancer Clinic in Regina. The grant for US \$46,931 is for an Anesthesia Machine and Monitoring System. Thank you to LCIF and all our Lions and Clubs who have supported this grant.

As you know, our worldwide goal for this campaign is US \$300 million and I am pleased to report that by the time you read this message, we will likely have met that goal overall in donations received as well as pledged. Were you part of that success? If not you still have time to add your donation to others already pledged.

Now is not the time to sit back and relax too much as demands for funding around the world and here in our own back yard continue to grow. Let's continue with the success achieved and do our best to ensure we in this District are part of that success.

Yours in Lionism,
 -Lion Terry McAleese
