LION'S PRIDE

A MESSAGE FROM YOUR 5SKS DISTRICT GOVERNOR 2021-2022

"Lions on the Move"

Greetings to all of my fellow Lions in District 5 SKS. The fall harvest has wrapped up and we are enjoying the mostly sunny autumn days of the prairies before the cold blast of winter blows in. With that sunshine comes a lot of planning for the Lions year before us. I am proud to be working with such a dynamic District Governor and Cabinet Team – you have very dedicated and enthusiastic Lions leadership managing your District, Lions who do care about what you and your clubs are doing and interested in the many fine service projects that you participate in within your communities.

I had the pleasure of attending my own club "in-person" meeting recently. It was great to be together with the members of the Regina 35 Lions Club as we all enjoyed the evening of business, fellowship and fun, while following all SHA Covid-19 gathering protocols. Let's all hope this becomes common place once again as we look toward 2022.

As you all have no doubt heard, the 2021 Provincial Lions Convention scheduled to be held this October in Yorkton has been postponed due to the surge in Covid-19 numbers in Saskatchewan. The new proposed date is March 18-20, 2022 in Yorkton. The convention committee is busily

adjusting to this change to bring in a fun-filled and exciting event – mark your calendars and be on the look-out for details to be rolled out over the coming months.

Lion Debbi and I had the honour of attending the Memorial Forest Dedication Service at Regina Beach this past September 12. As Lions, we always remember those deceased Lions who have served and whose legacies will be remembered through the planting of a tree in their name – a very worthwhile program indeed. Thanks to the Regina Beach Lions Club for all of their hard work organizing the dedication ceremony and ensuring the ongoing maintenance of the Memorial Forest.

I have four club visitations booked before the end of the year. I know they will be enjoyable and will give me the opportunity to meet my District Lions and get to know them better. Let me know if you want a visit by myself or one of your Vice District Governors. I cannot make all visitations, but we as a team will try and have one of us be able to come out for a new member induction or awards presentation, or just a chance to say hello and bring greetings from your International President Douglas X Alexander.

Remember also, if you and your club are still playing it safe and not meeting in-person, let me

know and we can plan a virtual visit via our District Zoom account – it is still a good way of seeing you all and hearing about what your club is up to. Zoom meetings are not affected by the weather and cost your District less regarding travel and any required accommodations by the DG Team. We can also book a regular club Zoom meeting for you, open your meeting up then pass over host duties to one of your club members to carry on with your meeting and we will bid you farewell – give it a try!

Finally, look for my other message in this *Pride* edition about the upcoming fundraiser for the new Childhood Cancer Treatment Centre for the province being developed in Regina.

Thanks again Lions for your dedication and hard work needed for all of the community and worldwide service projects Lions are carrying out every day – KEEP SERVING!

A MESSAGE FROM YOUR 5SKN DISTRICT GOVERNOR 2021-2022

Report from October 25, 2021

The big news this month is the postponement of our Provincial Lions Convention to March of 2022. Unfortunately, Covid cases in Saskatchewan are still of great concern. Our organizing committee would rather err on the side of caution than take the chance of exposing our members and guests to any unnecessary risk. We are fortunate that the facilities are available for the weekend of March 19, 2022 and that the costs of postponement are minimal as the deposits we paid were transferable to the new dates. So please mark your calendars and we look forward to seeing you then!

On a happier note, two matching grants from Lions Clubs International Foundation are on their way to our district this month. The Esterhazy Lions Club is receiving matching funding of \$90,000 for their accessible play park project, while the Prince Albert Lions – in partnership with other clubs in their zone – are receiving \$50,000 in matching funds to help furnish the Rose Garden Hospice which will serve residents from all over Saskatchewan. These two projects alone represent more money coming back from LCIF to our province than the clubs of our district have donated over the past five years. Please consider gifts, both club and personal, to the Canadian Fund for LCIF, in your budget for the year. Tax receipts are issued for personal gifts, and this is a great opportunity for clubs to honour members in the form of Melvin Jones Fellowships. And it all counts toward the Campaign 100 fundraising goal too! Contact me if you need an address for the Canadian Fund for LCIF, or check the Lions of Canada website www.lionscanada.ca and click on the "Donate" button.

While Covid concerns are still limiting in-person meetings, I was able to

travel to Meadow Lake this month to meet with some representatives from the four clubs of Zone 1, and our Cabinet is meeting this coming weekend with Covid protocols in place. District directories, Secretaries' E-books, and Peace Poster calendars are being sent out for distribution, and we will be discussing officer training and leadership succession planning. Watch the *Pride*, the 5SKN Facebook page, and email distributions for more details.

Even though in-person meetings were few and literally far between, the Zoom meetings were plentiful and informative. They included the Lions of Canada Advocacy working group, the Lions Convention Committee, meeting with Zone Chairs, Saskatchewan Lions Foundation, Global Membership Team, Lions Virtual workshop on hybrid meetings, Succession Planning, Dog Guides, the Canadian Lions Conversation, and of course, the Burmester Virtual Bar on Saturday afternoons. And I was the trivia winner at the BVB on October 23! If you haven't visited the Virtual Bar yet, give it a try – you meet the nicest people from all over the world.

If you have questions or need assistance from your District in all things Lion, feel free to contact me. Stay safe and keep in touch.

A MESSAGE FROM YOUR 5SKS SECOND VICE DG 2021-2022 LANE JOHNSON

Hello Fellow Lions!

I wanted to take some time and discuss kindness. Kindness is an important pillar of our organization. It defines what we do and how we present ourselves. To quote Charles Glassman, "Kindness begins with the understanding that we all struggle". From that struggle we strive to help others.

As Lions, we work towards alleviating the struggle of others and making the world a better place. The current state of the world has produced fear and worry which can bring out the worst in people. Frustration and anger will not solve a problem long-term and only provides momentary satisfaction and relief. People's anger, frustration, sadness, and bitterness are all symptoms of a struggle that we might not be able to see. Through your service and your presence as a Lion, you can cool tempers and warm hearts. Be a beacon of light that people struggling need to find a way.

Be kind to others and be kind to yourself.

Yours in Service,
- Lion Lane Johnson

A MESSAGE FROM YOUR 5SKS FIRST VICE DG 2021-2022 ALVIN MATECHUK

Greetings Fellow Lions,

How is everyone doing in the Lions world? Hopefully staying safe. For the sake of everyone, I am hoping Covid will go away soon.

Behind the scenes, been trying to get some things accomplished with the DG team. We are starting to plan for our Provincial Convention which will be held in Regina October 18-20, 2022. It's going to be a great convention. We are still looking for Lions that would like to help us out a little or a lot, every little bit will help out in a big way. If you're interested, get in touch with DG Doug or Lion Debbi Ross (Co-Chairs) or myself as DGE 2022-2023.

I did make my way out to a few schools and introduced myself to the Principals or Vice Principals and let them know that we are trying to get Lions Quest back in the schools. Had some interest, hopefully something will come out of it.

With membership don't let your clubs get discouraged. We are all getting bored with Zoom. Try to keep your clubs engaged by doing some type of service activity. We will all get through this and have the chance to be social again.

Keep your spirits up, heads high, and the candy dish full for the trick-or-treaters.

Have a great month,
- Lion Alvin Matechuk

PROVINCIAL LIONS CONVENTION POSTPONED UNTIL 2022

Dear fellow Saskatchewan Lions,

As most of you have probably heard already, our Provincial Lions Convention (Yorkton) scheduled for October 29 through 31, 2021 has been postponed due to the COVID-19 and variant numbers in Saskatchewan.

New convention dates are:

- Friday, March 18 (*Cabinet and PGD meetings, Hall of Fame Banquet*)
- Saturday, March 19 (*District meetings, Leadership speakers, DG's banquet, feature entertainment*), and
- Sunday, March 20 (*District Delegate voting, Necrology service, Farewell brunch with Leadership speaker*).

The Yorkton Convention Planning Committees will continue to be active in the coming months, and will work to make our Provincial Lions Convention a must LEADERSHIP event to attend.

If you had already registered, you will be given the choice of keeping your registration for the spring convention or receiving a refund. If you have booked a room, please call your hotel to cancel as soon as possible to avoid any cancellation fees. The convention committee is not able to cancel rooms for registrants.

We will continue to monitor COVID-19 and the variants as the winter progresses and adhere to SHA Health Orders. Everyone's safety is the top priority!

On behalf of the Provincial Lions Convention Committee, and in particular 5SKN District Governor Marianne and 5SKS District Governor Doug, we would like to extend our best wishes to our Lions family as we look forward to being together in the Spring.

Yours in Lionism,

DONATION REQUEST TO ALL SASKATCHEWAN LIONS, FRIENDS OF THE LIONS

DID YOU KNOW, that YOUR Saskatchewan Lions Foundation (SLF) supports Saskatchewan needs?

- Equipment purchases for the Pediatric Ophthalmology Unit of the Jim Pattison Children's Hospital in Saskatoon.
- Support of the Shock Trauma Air Rescue Services (STARS).
- Financing of medical treatments not available in Saskatchewan.
- Bursaries to students with visual impairment who have proceeded into their second year or more advanced year at a post secondary institute in Saskatchewan.

GOOD NEWS, we are adding to that impressive list with a new initiative that will contribute to the care and treatment of kids from all over the province!

YOUR HELP IS NEEDED, all Lions, Lions Clubs and all friends of Lions are being asked to support the newly announced Childhood Cancer Treatment Centre that will be centralized as part of pediatric services within

the Regina General Hospital. When completed, this centre will treat the needs of kids from across the province who have been diagnosed with cancer.

DONATE TODAY, to help make the purchase of specialized anesthesiology equipment possible to help our kids in the province with their battle to overcome this life-threatening disease!

IMMEDIATE GIVING, can be done by simply donating directly to the SLF. Send all donations and Marvin Chamber Fellowships to:

NOTICE OF THE ANNUAL GENERAL MEETING

OF THE
LIONS EYE BANK OF SASKATCHEWAN INC.

DATE: NOVEMBER 2, 2021
TIME: 8:00 PM
PLACE: "ZOOM" ONLINE MEETING

PLEASE ADVISE no later than Oct. 29, 2021 if you plan to attend to:

PID Garnet Davis (Eye Bank President)
Email: g.davis0844@gmail.com
Phone: 1-306-569-0112

Once attendance is confirmed, an invitation to the Zoom Meeting will be sent to registered attendees

LIONS EYE BANK OF SASKATCHEWAN INC.
BOX 831
REGINA, SK
S4P 3B1

The Lions Eye Bank of Saskatchewan will be considering some significant changes to the Bylaws of the Corporation in two major areas: definition of membership, and size and structure of the Board of Directors – in addition to minor changes which will update the bylaws.

The definition of 'membership' would now include all Lions Clubs within the province of Saskatchewan as 'members', with the power to select 'delegates' to the Annual General Meeting, and these 'delegates' would serve as the pool from which the Directors would be chosen. There would no longer be different classes of membership. The Board of Directors would be smaller, consisting only of those Lions representing the Districts and the current District Governors as voting members. There would no longer be directors selected "at-large" or directors appointed by others, such as the Past District Governors of Saskatchewan or the medical association. As well, term limits would be set for the Directors of the Lions Eye Bank.

Other modifications would cover the location of the 'head office', and provide the opportunity for electronic communication of information to Lions clubs and directors.

Interested in participating in the 2021 Annual General Meeting? Please see the contact details above. A full presentation of the proposed amended bylaws is available from Lions Eye Bank Secretary PCC Rick Pockett at mrpockett16@gmail.com

Lion Gordon Ziegler, LFC SK Raffle Coordinator

VISITING THE OAKVILLE FACILITY AS NEW LFCDG DIRECTOR, SK REP

I would like to start by thanking Lion Maureen Meston-Pockett for her invaluable service to LFC Dog Guides for the last four years. Lion Maureen may be small in stature but she leaves some very large shoes to fill.

GARRY BEAUDRY

On October 14, I had the opportunity to travel to the facilities in Oakville, ON for the first time and was made to feel welcome right from the time I left the taxi from the airport.

During the last year, I was fortunate to be invited to sit in on all the board meetings via Zoom. Thanks to this opportunity, I was able to be informed on what had been going on prior to my joining the board. As any previous Director can tell you, this would have been invaluable to them prior to beginning their term. This practice will be continued from now on for new Directors.

Between the many board meetings and the AGM, I was given a tour of the facility by the new CEO, Bev. It was easy to see that this facility was not very accessible to some of the clients as there were lots of stairs and narrow doorways. After viewing some very crowded training rooms and hallways, we entered the heart of the school. Imagine entering a room and having 37 two-year-old dogs welcoming you in unison.

After the tour, I had the opportunity to meet some of the staff along with some of the future heroes they were training. Everyone was very appreciative of what Lions do.

I was fortunate to meet Twilly, a 27-month-old poodle. Twilly was being dropped off for her start of training by her foster mom, who is also a Director and has fostered 21 dogs to date. It will be interesting to see how Twilly has progressed in her training on my next trip to Oakville.

There are many exciting things coming for LFC Dog Guides and I plan to continue this column monthly, letting you know the plans and some stories from the school.

As I left LFC Dog Guides, I realized one very important thing: *If you visit and leave without dog hair on your clothes ...you weren't trying hard enough.*

MENTAL WELLNESS CORNER

A tale of three National Hockey League goalies and a timeline:

—————2021—————

You have probably heard that Carey Price, the outstanding goaltender for the Montreal Canadiens, recently stepped away from the game to voluntarily enter the Players Assistance Program. The program is designed to help players with mental wellness and other matters not directly involved with their sport. He is getting support for his problems from his team and teammates, the National Hockey League, media and fans. His wife Angela posted the importance of “putting your mental health first” and, “It’s incredibly important to us that asking for help, and letting yourself be supported by others, is not just ok and but encouraged – anytime, and under any circumstance.” Carey Price is hugely successful in his chosen career but he is having problems and is getting help. That’s the way it should be for all of us.

—————1994—————

Cory Hirsch of Medicine Hat started all eight games in goal in the Winter Olympics for Team Canada, losing the Gold Medal in a final game shootout and was with the Stanley Cup-winning New York Rangers. However, he was struggling with personal demons for which he received little help. He “chickened out” at 140 mph during a suicide attempt. He later learned that he had been suffering from an undiagnosed condition called obsessive compulsive disorder. Corey Hirsch is now a strong advocate for recognizing, treating and accepting the sorts of problems he eventually overcame, cautioning us that, “It’s never a moral issue. It’s often a physical, not even a mental issue.” He got help just in time. Check him out on Google.

—————1970—————

Terry Sawchuk – one of the greatest goalies in hockey history – was just 40 years old when he died in 1970, broken physically as well as emotionally. The only help he could find was in alcohol.

We’ve come a long way in our awareness of mental health but we can do more as Lions for each other. We can learn more by joining in on the monthly Zoom Mental Wellness sessions or *Canadian Conversations*, hosted by International Director Al Hunt (call him at allansiphone4s@gmail.com or Gordon Ziegler at bgziegler@gmail.com). We can promote Lions Quest and the information available there; we can reach out; we can check with members (and non-Lions) we haven’t seen for a while.

Covid-19 has caused a rise in suicides and emotional distress. For more information, try the **CASP – Canadian Association for Suicide Prevention** – which is not a Crisis Centre but an advocate for suicide prevention, education and life promotion. Their website includes topics such as ‘*I’m Having Thoughts About Suicide*’ and ‘*I’m Concerned About Someone*’ and provides an online Suicide Risk Assessment Kit.

There’s a mental wellness issue out there today. People are suffering. We are Lions. We can help.

GLOBAL LEADERSHIP TEAM – 5SKN

Lions, I hope you had a chance to [log on to the MYLion site](#) and look at what is available in the Learn module. In this article, we will look at Online Training which is also called the Lions Learning Center (LLC).

GAIL HAIGHT

If you click on “GO” and then click on “Content Library”, you will see the courses that are available. I have shown some of the courses in tile view so you can see some of the courses that are available.

If you have never taken Club Officer Training, I would encourage to take this course. Other courses which you may find of interest are Coaching, Effective Listening, and Meeting Management. You never know what you can learn, and they are usually be completed in under an hour.

I recently took the Effective Listening course and one of the segments is titled Listen Like a Lion. To the right is one of the slides from it. I found it interesting and informative.

Next month, I’ll discuss some of the Institute Courses that are available. Both ALLI and RLLI will be offered in Calgary and Minot next year.

NEED A (NON-COVID RELATED) SHOT IN THE ARM? TRY CANADIAN CONVERSATIONS!

The idea of increasing our Lions Canadian identity both within and beyond Canada had been discussed before. But at a meeting for Canadian Lions during the 2017 USA/Canada Lions Leadership Forum in Portland, Oregon, a number of Canadian leaders, including some from Saskatchewan, vowed to do something about it. Presto: LionsofCanada.ca Check it out; you may be pleasantly surprised.

Another result was monthly online meetings called "Canadian Conversations", chaired by our International Director Allan Hunt from Chilliwack, BC. On the last Sunday of each month, all Canadian Lions are invited to a Zoom session to talk about issues which affect Canadian Lions – and what we could do (and are doing) about them. Sessions are free; you don't have to say anything or have your camera on. You do get the chance to get fired up about what Lions are doing across our great country – and the ideas and inspiration are all FREE! About 60 people took part in the most recent one, including 8 from Saskatchewan. Some highlights below:

1. Committee reports chaired by 2nd International Vice President Dr. Patti Hill, no stranger to many Saskatchewan Lions: Advocacy (which is proceeding with plans for a Lions Day on Capitol Hill in Ottawa in the fall of 2022), Administration, Marketing and Consultative, each of which also meet once a month. Volunteers always welcome.

2. Campaign 100, which celebrates a century of Canadian Lions, chaired by PIDs Marvin Chamber from Fillmore, SK and Carl Young from Ontario.

3. GAT (Global Action Team) – Canadian Chairperson PDG Rob Hill from Maryfield, SK reported that Canada-wide, we are down 248 members from a year ago.

4. Extension – Lion Val Clarke from Newfoundland reported that she has recently helped start two new clubs and 14 in two years, including a cyber club in Manitoba.

5. Green Cape Lions Club is a Toronto-based cyber club totally dedicated to supporting the Lions Foundation of Canada. Two of its members are LFC clients with Dog Guides; club members have served as foster parents to over 120 LFC puppies. The Club prepares annual LFC puppy calendars, available to other Clubs across Canada for \$10 each, approximately half of which goes to LFC. The hope is that re-sale profits also go to LFC. Nearly 5,000 of the 2022 edition have been ordered; if interested, go to greencapesforlions.com. The Green Capes Club was recently recognized with an LFC Patron Award for its efforts. Saskatchewan winners of this prestigious award include: PDG (and former LFC Director) Ken Peters, Regina Beach in 2013; PDG and former LFC Board Chairperson Joe Andrew (2011); and "super supporter" PDG Al Fox, Moose Jaw in 2007.

6. The second in a 5-year series of Lions Lapel Pins in honour of VP Patti Hill are now available. Call PID Marvin Chambers at pidmchambers@gmail.com or PID Yves Leveille (leveille.yves@videotron.ca to order at \$5 each. PID Yves also promoted next year's International Lions Convention in Montreal June 24-28, 2022, the week after Formula 1 car racing. Volunteers welcome.

7. Mental Wellness – an off-shoot from the Conversations, this group meets on the third Sunday of each month to discuss of helping each other cope. Each of Canada's 32 District Governors has been encouraged to declare a District Cabinet Wellness position. Several, including District 5-SKN, already have. Call DG Marianne Kramchinsky (mkrachinsky@gmail.com) or PC Gordon Ziegler (bgziegler@gmail.com) to learn more or to participate in the next session.

8. Alberta PCC Tyler Bray promoted the USA/Canada Lions Leadership Forum in Calgary next September 15-17, 2022; 559 have already registered at \$285, and you can check website 2022lionsleadershipforum.com for seminars, keynote speakers, registration and schedule; volunteers welcome. Alberta Lions supported Saskatchewan for the 2008 Forum in Saskatoon and our Saskatchewan Lions Centennial Celebration in Saskatoon in 2005. Here's a chance for some neighbourly reciprocation.

And, finally, here's one thought from the session: "The world is run by those who show up." As Lions, please keep on showing up ...to Serve!

NOTICE from Lions Clubs International

Here's Your Road Map to a Successful Club

Dear Club Vice President,

As a leader, you have an opportunity to provide helpful tools and resources to help your club achieve their goals.

The **Club Quality Initiative (CQI)** is a strategic planning tool that helps clubs identify opportunities for improvement. The program features several steps to help club operation become more efficient and find new directions. By identifying areas that can be improved taking measured steps to accomplish goals and involving the whole club in this exciting process, every club can be even better!

The CQI program offers you **three suggested ideas** for implementing the Club Quality Initiative.

1. Single Working Session (two hours or less): Helps identify areas of improvement, establish priorities, and provide initial ideas to committees to further develop their club.
2. Meeting Series (30 minutes during a series of meetings): Assess and plan during a series of meetings.
3. Half Day Workshop (four hours or more): Break into working groups to discuss club assessments and potential solutions in more detail.

Learn more about the CQI program and the benefits it offers your club by visiting the [CQI website](#).

If you are a Facebook user, visit us at [Improving Lions Club Quality](#) where you will find helpful information from Lions around the world. You can post questions, comments, stories and share new ideas to improve clubs within your zone.

We look forward to supporting you. Please contact us if you have any questions by email at clubqualityinitiatives@lionsclubs.org or by phone at (630) 468-6810.

Sincerely,
Your District & Club Administration Division Support Team

A Foundation for Success

Many people become Lions to serve their communities, but they also join the organization for personal and professional development. Lions can also talk with their sponsored Lion about their goals for the coming year to set a plan in motion.

Whether you have an interest in leadership or not, you will benefit from the personal development courses offered by the Lions Learning Center. Your district and fellow Lions encourage you to explore and take a course so you can experience the full range of benefits we all enjoy as a Lion. We are all in this together to help each other to find the learning course that's right for you!

LCIF GRANT HELPS ESTERHAZY LIONS REALIZE ACCESSIBLE PLAY PARK

The Lions Club of Esterhazy is proud to be part of the *brand new* Lions Club of Esterhazy accessible play park.

After the Town of Esterhazy approached the Club for financial

assistance, the Esterhazy Lions applied to Lions Club International Foundation for help with the required funds, and were successfully approved for a matching grant, enabling us to build this accessible play park.

*Yours in Lionism,
Lion Colette Babyak, Lions Club of Esterhazy*

Construction is now complete and the accessible play park, situated in the Historical Park in Esterhazy, will soon be open for the public to enjoy.

FOSTERING SENSE OF SELF-WORTH FOR CHILDREN IN CARE

Saskatoon Millennium Lions undertake project to benefit vulnerable community group

Lions Clubs are community-minded people that donate their time and efforts towards projects that positively impact individuals as well as groups both in our communities and our world. There are times when all the dedication we can muster would still leave us short of the goals we set.

The Saskatoon Millennium Lions Club decided to undertake a project to benefit one of the most vulnerable groups in our community – children in care. We applied for and were thankfully awarded funds toward the project through the LCIF Centennial Grant. We give our thanks to the committee that selected our project.

As to the project itself – it is an unfortunate reality that many of the children who are entering into, or are currently a part of, child and family services care are required to move on short notice with very little to take with them. Items they *do* have are commonly transported in large black garbage bags.

This process, while done out of necessity, is highly detrimental to a child's sense of self-worth in an already emotionally-turbulent situation.

Through this project, the goal of the Saskatoon Millennium Lions Club is to provide backpacks and duffle bags to young people in this situation. It is our hope that these necessary items not only help in a practical way, but also show the individual's current life situation is not a representation of their value or potential.

LCIF Grant duffle bags and backpacks.

Through our club's own funds and those provided by the LCIF Centennial Grant, we were able to purchase 44 duffle bags and 3 backpacks, along with a luggage tag for each one. These items were purchased over a number of weeks and a team from Crisis Intervention came to pick them up. In Saskatoon, Crisis Intervention is comprised of teams of social work-trained individuals who act on behalf of the Ministry of Social Services after-hours in child welfare cases. The team from Crisis Intervention were surprised and excited on behalf of their young charges and assured our club that the donated items would be put to good use.

As Lions, we all understand that making a positive difference in someone's life can be accomplished through actions both big and small.

Megan Olson

TWO VERY SUCCESSFUL CHASE THE ACE RUNS IN 2021 FOR LIONS CLUB OF ESTERHAZY

Lion Dan Babyak and Lion president Brenda Redman presented Natalie Johanson with a cheque for \$35,413 as the winner of the Chase the Ace Jackpot for the second round of Chase the Ace for the year.

The Club's first Jackpot on May 6, 2021 was won by Elmer Sieben, who collected \$17,558.20 in prize money.

As our license was still in effect for the year, we decided to start again with a second round of Chase the Ace, which started on May 13 and wrapped up for the year last Thursday, October 21.

Since the Jackpot had to go, we drew off all 29 of the remaining cards. The first name drawn was Dale Shackleton, which meant he won a sizable \$5,063.40 and the 5 of Hearts was no longer in the card pile.

We then continued on drawing names and cards until the Ace of Spades was drawn. After 22 drawn cards, the final winner of Chase the Ace for this year was declared; Natalie Johanson, who won a whopping \$35,413.

*Yours in Lionism,
Lion Colette Babyak
Lions Club of Esterhazy*

In May, Lion Dan Babyak presented Elmer Sieben with a cheque for \$17,558.20 as first Chase the Ace winner of 2021.

On October 21, Lion Dan Babyak presented Dale Shackleton with a cheque for \$5,063.40 on the final night of the second round of Chase the Ace in 2021.

Monday Night Bingo in Wakaw – Wakaw and area residents enjoyed a few weeks of bingo nights (October 18 evening shown here) but the club is sad to report that they have decided their October 25 night will be the last night of dabbing bingo cards for awhile. The decision was made due to low attendance numbers and Covid-19 restrictions.

WADENA DISTRICT LIONS CLUB NEWS

The Wadena District Lions Club, at our regular October meeting, made the first Lions Club monetary donation to the Saskatchewan Lions Foundation towards the

purchase of specialized anesthesiology equipment for the Childhood Cancer Treatment Centre.

The Centre will be centralized as part of pediatric services within the Regina General Hospital. [\(More here.\)](#)

We also donated to support a Wadena individual's cancer treatment in Toronto, and for the North Shore Fishing Lake recreation projects.

Due to the pandemic, we decided to postpone our Annual Trip for Two fundraiser until spring 2022. However, we've kicked off a Sweet Christmas campaign selling Purdy's amazing chocolates. See poster below.

LANIGAN LIONS CLUB NEWS

Milestone Chevron Award

Lion Jason Wolfe was presented with a Milestone Chevron Award. An award from Lions International marking 10 years as a member of our club – most of those as keeper of the cash! Congratulations, Wolfie!

Super Board

The quest for baseball supremacy is on with eight teams now competing to become World Series champions. Although the young, exciting Blue Jays posted a 91-71 record, they did not qualify for the playoffs – maybe next year!

At present, we are selling our four-part super board with baseball as the first event. We respectfully solicit your support; good luck to all our patrons.

Campground closing for the season

Lions Aron Renwick, Jason Leffler, Wade Hyra, Brad Huculak and Travis Parker spent a good part of September 19 at the campground in Lanigan. Some of the work done included: cutting trees, inspecting the waterworks, cleaning and organizing the shop, gathering garbage cans, and tipping the tables. The campground will soon close for the season.

Lions Eye Bank

We received a certificate of appreciation from the Lions Eye Bank of Saskatchewan Inc. recently in recognition of our financial support. Prevention of blindness and eye disease is, of course, a major goal of all Lions clubs.

Donation to Dog Guides

In keeping with our commitment of the blind, we sent a donation of \$200 to our dog guide training facility in Oakville, Ontario.

New members wanted

We continue to seek new members for our club. Due to reduced membership, we are restricted in service projects in this community. If you can spend a few hours occasionally for the benefit of others, attend two short meetings per month, et cetera, give us a call.

Stay safe everyone!

5SKN CAMPAIGN 100 UPDATE

Just a short note this month. The Campaign in the District is slowly advancing and slowly is the operative word. Several clubs have made a commitment to purchase one or more Melvin Jones Fellowships for deserving members. It would be nice to see more clubs consider this option before the end of the current Lion year. You can check with me to see if you have some funds already available that at the very least you could top up to have sufficient funds for a MJF. The Campaign needs help from club Executives!

Personal donations have been minimal

The Cudworth Lions Club, together with the Hoodoo Volunteer Fire Rescue, held their Food Drive for Christmas Hampers event on October 14.

The Club wants to thank the community of Cudworth for their generous support during our recent food drive, as well as the Cudworth/Hoodoo Fire department volunteers for joining us with their vehicles to light up the town and collect donations. The support of our community makes this possible.

Donations are still welcome – send us a message.

(NOTE: there were numerous volunteers who were accidentally cut off of the right side of this picture. Missed volunteers – your presence was not unnoticed! Thank you so much for your help.)

in our district for the last year. An idea to increase these might be to put one club member (LCIF rep if you have one) in charge to ask each member for any amount of donation. \$20.00 gets them a tax receipt from Lions of Canada. (Send funds to me at Box 93, Lake Lenore, Sask. S0K 2J0 or to Stan Durward, Box 38, Sunderland, Ontario, L0C 1H0.) (Make any cheques out to Lions of Canada Fund for LCIF.)

One last downer note for this newsletter: Clubs have been credited for donations since the 2018-2019 year to LCIF and we have 14 clubs that haven't made any donation at all since then nor have any members from those clubs made a donation!

Note: You'll see references to an LCIF training session being done virtually on November 6 starting at 1:00 p.m. At least one Club rep should try to join. I can send the link sent to any interested Lions/clubs.

Positive news: LCIF has awarded grants to Lions in Saskatchewan of over \$200,000 in the

5SKS NEWS

RICHMOND LIONS SUPPORT LOCAL LUNCH PROGRAM

The Richmond Lions Club is part of Lions Clubs International, the largest service organization in the world with nearly a million and a half members in 200 countries. Our Vision is to serve as, "The global leader in humanitarian service". As such, clubs have obligations beyond our own borders. As one of our members once said, "If I had wanted to help only the people of Richmond, I wouldn't have needed to join the Lions Club." He wanted to serve more of the world. And since the Club started in 1984, we have and we do.

Lions everywhere fight to address the problem of Hunger, one of the five Lions International's Global Causes along with Vision, Diabetes, Environment and Childhood Cancer.

A recent example of helping away from home took place in front of Rossco's Pub in Medicine Hat. A special day and site were chosen to highlight the efforts of the city's Brown Bag Lunch Program run by the District Food Bank. Donors such as our Lions Club are invited to show up and make donations to the worthy cause. We were represented by 'Ritchie

the Richmond Lion', who delivered a large commemorative cheque for \$500 – along with one in the same amount to deposit.

The need to feed hungry children exists in Medicine Hat as it does elsewhere, and the Richmond Lions Club has supported the Brown Bag Lunch Program with annual donations for a number of years. Your support for local Lions fundraisers make such donations possible. And for this, we thank you.

INDIAN HEAD DONATE TO MEMORIAL PARK

At the end of September, the Indian Head & District Lions Club donated \$2,500 towards the Constable Shelby Patton Memorial Park.

HEALTH CENTRE FUNDS, FENCING IN CARLYLE

The Carlyle & District Lions Club recently donated \$2,500 to the Arcola Health Centre. The funds go towards purchasing a complete blood count (CBC) testing machine. Pictured above: Lion Don Corrigan presenting the cheque to long-time laboratory employee, Kim Penney.

In mid-October, the Carlyle & District Lions Club were busy adding new chain link fencing to their Number Six Ball Diamond. The dugouts and yellow fence capping will be completed in the spring. All six diamonds at their Lions Park are now fenced.

SCHOLARSHIP WINNER IN RICHMOUND

The Richmond Lions Club awards an annual Scholarship to the Grade 12 Graduating class of Fox Valley High School where students from our community attend. Students must apply for consideration and provide evidence of acceptance into a post-secondary program. The scholarship is based one-third each on marks, on two letters of reference, and on a personal record of volunteerism.

The last criteria is, of course, a reflection of our organization, The International Association of Lions Clubs, whose motto is 'We Serve'. The value of the scholarship is \$1,000 and the Club also offers to pay first-year fees for Lions or LEO Club membership to any applicant while enrolled in a post-secondary program.

This year's Richmond Lions FVHS Scholarship winner is Madison Jacksteit, the daughter of Tara and Tyson. Madison is enrolled in a Kinesiology program at the University of Saskatchewan, where she is taking a full load of courses and is finding University pretty much what she expected. For this, she thanks her teachers at FVHS for being approachable, connecting with students, and instilling in their students a sense of self-confidence. She says that her experiences as a volunteer have made it easier for her to deal with people she doesn't know. *(Hmmm, sounds like good qualities for Lions, too, doesn't it?)*

Madison is also happy she learned time management and experienced online learning, both of which are helping her now. She's playing some recreational volleyball and is looking for some sort of campus club to join. Madison expressed her gratitude

for the scholarship to the Lions Club with which she is familiar through the Club's food catering of Grad supper and free lunches in Fox Valley School. **Best wishes, Maddie!**

Previous Scholarship winners were Joseph Bosch & Rody Redev (2019) and Cooper Schneider (2020). The Club expects to offer the scholarship opportunity to the Grad Class of 2022. Lions Clubs around the world support young people through the local donations towards clubs, teams, and schools, and to national as well as international programs – including Lions Quest for schools and the International Peace Poster Contest for students Grades 5 through 8. Call any Lion for details or go to lionsclubs.org.

DISTRICT 5 SKS INFORMATION TECHNOLOGY UPDATE

The District 5 SKS Information Technology committee would like to reach out to 5SKS on the following platforms:

District Website –

Lion Dean Hamilton & Lion Lane Johnson are currently updating the District 5 SKS website and are looking for your Club's feedback. What do you, as a member of 5 SKS, want to see on the website? One of the ideas that has been brought up is to have clubs submit photos of service activities into the Photo Gallery Page to show how active and service-minded we are as a district. Any ideas are welcome and to submit your ideas, please email us at lionsdistrict5SKS@gmail.com.

Facebook –

The District has a [Facebook page](#) for clubs to post events and District related news to. Please feel free to post club projects/ events on our wall or send a direct message to the Page if you want the posts shared. Please give us a like and follow our District FB Page to see what the clubs of the district are up to!

Zoom –

Lion Lane Johnson will be handling the booking/coordination of the District Zoom meetings for any of the clubs that prefer to meet over this type of platform. We will do our best to accommodate the needs and requirements of the clubs of District 5 SKS in regard to using Zoom and being able to meet virtually. If you need to book a meeting, please email Lane at lanejohnson30@gmail.com.

Volunteers help with outdoor rink in Estevan –

Mid-October saw the Estevan Lions Club setting up the rink boards at Rusty Duce Park. Fun times are ahead for the community members!

Thank you

UPDATE TO CAMPAIGN 100 – DISTRICT 5SKS

The first quarter of this current Lions year has given us a great start to the final year of the Campaign. What is even more encouraging is that a very large percentage of those donations were made personally by Lions in our District. Thank you to each of those Lions for supporting our international foundation (LCIF).

We continue to focus on individual donations and ask all Lions reading this article to consider how you might lend your support, be it \$5 or \$100 because every dollar counts. Donations of \$20 or more will however provide the donor with

a CRA approved tax receipt. Donations can be made to Lions of Canada Fund (LCIF) through your club, by credit card or by sending a cheque to your District Coordinator. We are asking for your assistance because we know “Where there is a need there is a Lion”.

“...consider how you might lend your support, be it \$5 or \$100 because every dollar counts...”

We have not forgotten about asking clubs to assist as well and we are encouraging clubs to again consider purchasing a Melvin Jones Fellowship or Progressive Fellowship. Last year our clubs did very well in supporting this endeavour and they honoured a number of Lions and non- Lions with such prestigious recognitions.

An information and training session is scheduled for Saturday, November 6 and will be held virtually by Zoom. This session is open to all Lions especially DG Teams, Club Coordinators, Zone Chairs and everyone with an interest. Know how your donations are being utilized and why Campaign 100 is so important to continue our ongoing programs.

We again thank all Lions for your continued support in participating to the success of Campaign 100 and if you have any questions concerning donations please contact me.

-PDG Lion Terry McAleese, District 5SKS – LCIF Coordinator

Lions Quest Professional Learning Community

For those who are already teaching Lions Quest programs, we recognize that you may have great ideas & strategies to share, or may be facing some challenges in delivering this program in a virtual environment. We have been trying to think of ways that we may be of some assistance to you and have put our thinking caps on. One idea that we would like to extend to you is forming a Lions Quest SEL Professional Learning Community made up of educators such as yourselves from many school divisions across Canada. The goal of this learning community would be to learn from each other, share research, and problem solve together.

If you could envision a Lions Quest Professional Learning Community being a benefit and support to you and your work as an educator, would you be interested in pursuing this further? If so, please take a moment to complete this very brief survey to help us determine the best format for this community.
