

**POTTS,
Cameron "Cam" Daniel
Jan. 29, 1972 - June 4, 2020**

Cam will be greatly missed by his wife Alison "Ali" and their blended family Sadie, Carter, Hudson and Nash; his siblings Lindon (Karen) Potts and sons Koltan and Klayton; Glendon (Paula) Potts and son Carter; Jacquie (Lonnie) Hutchinson; daughters Camryn and Morgan; Ali's family Lorelie (Rick) Whelan and Ken Conn; her siblings Eric Whelan, Jessica Whelan and daughter Sienna; and Sam Conn.

On Thursday, June 4, Cameron Potts passed away at the age of 48 after an extended battle with leukemia.

Cam grew up on a Saskatchewan farm where he learned many life skills like riding dirt bikes, driving combines and tractors along with his siblings. After joining the Olds Fire Department he earned his 1001s, then in 1998 he was hired on with the Prince Albert Fire Department. In 2004 he joined the Medicine Hat Fire Service where he ascended to lieutenant and more importantly Mr. March. Brave, selfless, easy-going - all qualities that he put on his match.com profile. It worked and Cam married his soulmate Alison in 2018, joining their beautiful families together. The immeasurable amount of love he had for Ali and the kids is a trademark of Pottsy's legacy. He could be found hunting with the boys, tuning up bikes, helping the kids with schoolwork, guiding them through personal struggles, working out and planning their next tropical vacation. The power of Pottsy's character was felt by everyone who had the honour of working with him. His ability to stay calm, collected and ready to help anyone in need made him a pillar of strength. A hard-working firefighter at or away from the station, even as an officer he would routinely assign himself to the attack team. Cam's energy overflowed into every aspect of his life. He met challenges with the grace and patience, he always remained optimistic no matter what life threw at him. Cam had a sparkle in his eyes, his smile, his laugh . . . he could change the tone of the day just by walking through the door. His superpower was compassion; you always felt better being around him. The countless lives that Cam touched will remember him as an amazing father; a devoted husband, loving brother and a fiercely loyal friend. Cam's spirit lives on through his immediate, extended and fire service families.

Cameron was predeceased by his parents Jeanne and Ian Potts.
