

# Saskatchewan Lions Convention 2019

## 'A New Beginning'

### **Fellow Lions and Friends:**

As registrations and speakers start to come in, it's a pleasure to keep you updated on the Saskatchewan Lions Convention 2019. The 5SKN and 5SKS Convention Committee would like to remind you to join us from Oct. 25 to the 27, 2019 at the Saskatoon Inn, Saskatoon, SK for the first Annual Saskatchewan Lions Convention.

### **4 REASONS YOU MUST ATTEND the 2019 Saskatchewan Lions Convention**

- 1. Save Time** – For those of you serving on the Provincial committees, several meetings and functions will be held during the convention, saving you hours of 'windshield time'. The Eye Bank meeting, Provincial Foundation meeting, Past District Governors and Cabinet meetings will be held on the weekend.
- 2. Hall of Fame Banquet & Induction Ceremony** – This is a new addition to the Convention. The Banquet will be held on Friday night. Make sure you get your information in quickly.
- 3. Meet Friends, Old and New** – This year's format will let you meet up with people you have connected with at past conventions, as well as new friends with like-minded values.
- 4. Congratulate Dr. Patti Hill** – Newly-elected as International Third Vice President of Lions International, Dr. Hill is surely on the way to becoming Canada's next International President. Her presentation will be riveting – don't miss it!
