

**STEWART,
Larry Clifford
June 6, 1948 -
Aug. 28, 2021**

It is with great and significant sadness that we have to say goodbye for now to our Dad or "dear old Dad" as he referred to himself, Larry Clifford Stewart.

Larry was born on June 6, 1948 as the only child to James Clifford Stewart and Louise Pauline Stewart (nee Hemme). Larry spent most of his childhood in Aylesbury, Sask., nearby town Girvin, and at the cottage located at Etters Beach, Sask. built by his father in the 1950s. Larry attended the university in Regina obtaining a degree in education, ultimately leading to a long and successful career of 35 years teaching social studies, current events, and shop to several generations. In 1990 Larry ("Mr. Stewart") became the principal of Imperial School with a tenure of 17 years before his retirement. Larry enjoyed many activities such as woodworking (also a love of his father's), playing and coaching his son's hockey, participating in local dinner theatre performances, golf with his friends in the education circuit, and watching his favourite sport teams the Saskatchewan Roughriders and Toronto Blue Jays for hours on end. More than anything else, he loved spending time with his three children, five grandchildren and good friends at Etters Beach, his final and most significant home.

Larry leaves behind his son Damon (Chelsy); daughters Erica and Kimberley; grandchildren Christian, Morgan; Ty; Madelyn; and Bentley; cousins Murray, Lettia and Wanda; and last but certainly not least, his remarkable friend Marlene Borthwick, her loving mother and family.

Dad, Mr. Stewart, Larry . . . this is only a goodbye for now and mostly a "good luck" on your next adventure. We all love you the way you loved us.

A celebration of his life was held at Imperial Community Centre on September 5.

Master of Ceremonies was Brent Ingram. The ushers were his grandchildren Christian Banick, Morgan Banick and Ty Stewart. Urnbearers were Erica Banick, Damon Stewart and Kimberley Stewart. Phil Benson and his cousin Murray Springer spoke and his daughter Erica did the eulogy.

Interment will take place at a later date.

Memorial donations directed to the Shock Trauma Air Rescue Society (STARS), Heart and Stroke Foundation of Canada or Northern Alberta Brain Injury Society (NABIS) would be appreciated.
