Eugene Wolff, aged 79 years, passed away peacefully at the Regina General Hospital on Tuesday, May 28, 2019 with family by his side.

Eugene was born at Simpson, Sask. on September 25, 1939 to Frank and Mary (Stratton) Wolff of Liberty, Sask.

Eugene (Geno) was born with dirt in his veins and grew up on the family farm between Liberty and Stalwart. He worked the land his entire life successfully seeding and harvesting 59 crops. He loved to curl in his younger years and hunt and fish when he could. His other passion in life was to play the saxophone, which he did for many years with the Liberty Orchestra. He spent many an hour with several different band members over the years and enjoyed all the time with them. He was also a good community supporter, including the Liberty Co-op Board and the Liberty Service Club. He spent lots of time with family and friends, liked to travel and loved life in general. Anyone who spent time with Geno always came out with a smile. He will be missed by all who knew him. May there be a bit of Geno in all of us.
